STILL LACKING

Trading Desultory, but Counter-balanced by Greater
Activity in Well Known

Specialties.

New York, April 3.—Stocks opened the next haff year will be an the next haff year will be an interest. New York, April 3.—Stocks opened the next haff year will be an interest. New York, April 3.—Stocks opened the week with a wide variety of gain which embraced almost every part of the list, except the more potential th with the methods. Stocks are in atrong hands. Brazillan Traction looked as If it would go out of the innimum. The stock should so the list, except the more potential th work in the list, except the more

Trading was of the same declaration and the major operations of the preceding month. A further lack of public interest, was noticed, but this was partly counter-balanced by greater activity in well-known specialities, such as Crucible Steel and American Locomotive, in the war group, the motors, sugars and distilling issues.

Kennecott and Miami coppers were elevated to record quotations at 59 and 39-18 respectively. South Porto Rico soared to new heights on its advance of 9½ to 219½, and Jewell Tea was similarly distinguished, rising 5½ to 99.

Laitel States Industrial Alcohol was in the foreign exchange markets, sterling, fancs, marks, lires and krouen from the matter sale matter sterling, fancs, marks, lires and krouen from the matter sale was inconspiculation. United States Steel was inconspiculated using the foreign one to 67 3,600 shares. The stock rose 1½ to 85 7-8, and anfused general strength to the list at the close. Shipping shares, especially were in demand at appreciable gains. Moderate unsettlement was shown by the foreign exchange markets, sterling, fancs, marks, lires and krouen from the matter sale was inconspiculated. United States Steel was inconspi

to 90.

Unter States Industrial Alcohol was in the forefront throughout the session, making an extreme gain of 945 by, with slight improvement in Dutch to 165 in connection with unconfirmed weports of an approaching "meion cutting." Stocks of no especial designs of this development Angloting." Stocks of no especial designs of the current was a followed the my empty of page 181.

Tried "fruit-a tives"

St. Jean de Matha, Jan. 27th, 1914.

"After suffering for a long time with Dyspepsia, I have been made well by Fruitz-tives.' I suffered so much that at last I would not dare to eat for I was afraid of dying. Five years ago, I received samples of 'Fruitz-tives' and after taking them I felt relief. Then I sent for three boxes and I kept improving until I was well. I quickly regained my lost weight—and now I eat, sleep and digest well—in a word, I am fully recovered, thanks to 'Fruitz-tives.'

o 'Fruita-tives.'"
