Germany's Terms

By Count Roon

Germany is entitled to the following terms because of its strength, and until they are realized there should be no armistice:

Annexation of Belgium. Annexation of the entire Flanders coast, including Calais. Annexation of the Briey and Longwy basins and the Toul, Belfort and Verdun regions eastward.

Restitution to Germany of all her Colonies, including Kiaochow.

Great Britain must cede to Germany such naval bases and coaling stations as Germany designates.

Great Britain must give Gibraltar to Spain, cede its war fleet to Germany, give Egypt and the Suez Canal to Turkey.

Greece must be re-established under former King Constantine, with frontiers as before the war.

Austria and Bulgaria will divide Serbia and Montenegro.

Great Britain, France, and the United States must pay all of Germany's war costs, the indemnity being a minimum of \$45,000,000,000.

They must also agree to deliver raw materials immediately.

France and Belgium must remain occupied at their expense until these conditions are carried out.

Here Are The Real German Peace Terms--How Will You Answer Them?

The greatest advertisement for the fifth Victory Loan of the Dominion of Canada was written by a Prussian, Count Roon of the Prussian House of Lords, and appears above. How do you like it?

Forty-Five Billion Dollars or more indemnity --- ninety times the maximum amount REQUESTED by our government would be DEMANDED by a victorious Hun.

This then is the price the world would have to pay for a victorious German peace—a peace that would result today without the complete surrender of the German army.

Oh, you men and women of St. John and New Brunswick, is there a dollar in this fair province so tightly held that it will not now come forth to answer the swaggering arrogance of the Hun?

This period will tell, for as you subscribe for a Victory Bond you state the price your land, your home and family, your liberty—and your democracy are worth to you today.

No matter what the war news may say about peace, here are the unvarnished terms that would be inflicted as a direct result of an unsupported Canadian Army.

Then Invest All You Possibly Can in
VICTORY BONDS
and Ensure of a Victorious, Democratic,
Canadian Peace!
