The bride arrived in the city yesterday on the boat and the wedding ceremony was performed at five o'clock in the church. Mrs. J. M. ## STEAMER SCOTIAN HERE WITH TROOPS

Big Liner With 1,862 Passen-  
gers Docked Yesterday  
Afternoon — The Soldier  
Heroes Were Given Grand  
Reception.

Escorted by the army service tug Sissaboo, bearing the garrison band and in tow of the three largest harbor tugboats, the M. S. Scotian, entered port yesterday afternoon with a human freight of 1,862 passengers.

The ship had come up the bay earlier in the day but had to wait for the sailing of the S.S. Empress of Britain to secure berth air. Shortly after two o'clock the Empress hauled away and an hour later the Scotian came in.

Her military sailing included 54 of ficers, 13 nursing sisters, 40 cadets, 18 non-coms, and 1,601 other ranks. Among the civilian passengers, numbering 133, there were 14 for the United States and 13 children under 14 years of age.

There was no delay in debarkation. The gang-plank was run up in short time and immediately the men came ashore to the waiting troop trains. Before they left the boat they were provided with their tickets and sufficient money for travelling expenses, and as they proceeded along the alleyway from the gang-plank to the waiting trains they were literally showered with apples, chocolates, cigarettes, flares, cakes, chewing gum and other comforts by the Salvation Army Y. M. C. A. Knights of Columbus, and members of the citizens' reception committee. Other port workers on hand to aid in the good work were representatives of the Red Cross and the Patriotic Fund.

The first train to get away was that for Quebec, Montreal and Ottawa, with 257 men on board; this was followed by the train for Hamilton and London, with 206 men; then the first train for Toronto with 353 men and the last train, for Vancouver got away shortly after six o'clock with 378 men on board.

Representatives of the Y. M. C. A. accompanied each train: the first being under the care of the Rev. A. W. Thompson, and the others being attended to by Messrs. Thorne, Rummie, Robertson and Belyea, in the order named. The comforts supplied to the trains by the Y. M. C. A. included 54 checker boards, 72 sets of checkers, 12 sets of chess, 210 pairs of cards, 30 packages of playing cards, 28 mouth organs, 20 sets of dominoes, 28 anazoes, 500 song sheets, 5 phonographs, 60 records, 4 boxes of needles, 30 Testaments, 455 manhood series, 1,316 "Y" introduction cards, 800 post cards, 1,700 writing paper and envelopes, 120 lead pencils, 3,600 chocolate bars, 7,200 cigarettes, 52 boxes of matches, 150 cakes of soap, 86 pairs of socks, 11 boxes of hosiery buttons, time tables and telegraph blanks.

## Civilian Passengers.

The only civilian passengers on the Scotian on board, were Mrs. (Major) McLaughlin and son, and James Ashcroft. Ex-Mayor James Frynk was on hand to welcome his daughter, whose departure from England was hastened by the illness of her husband.

## Hospital Cases.

There were eleven stretcher cases carried off the Scotian, two of them D. V.'s, and the others mostly colds though several had influenza. Among the cases were W. Chamberlain, Second Forestry Corps, Stone Haven; R. Mitchell, 1st Battalion, Guelph; C. Pope, of the Royal Canadian Dragoons, Kinross, and W. Walde, 102nd Battalion, Nelson.  
The following arrived:

## NEW HEALTH AND STRENGTH FOR WEAK GIRLS AND WOMEN

WEAK, WATERY BLOOD RESPONSIBLE FOR MOST OF THE ILLS FROM WHICH GIRLS AND WOMEN SUFFER.

Dr. Williams' Pink Pills Actually Make New, Rich Red Blood and Through This New Blood Restore to Health Weak, Despondent Sufferers.

If every young girl and every woman would realize that the majority of common diseases are due to weak, watery, impoverished blood, and that in this condition health can only be regained by enriching the blood, there would be fewer pallid faces, and nervous, breathless folk in the land. Thin blood means starved nerves, weakened digestion, functional troubles, headaches, heart palpitation, and a feeling of extreme weakness at the least exertion. It has been proven in thousands of cases that Dr. Williams' Pink Pills are the best medicine in the world for renewing the blood and strengthening the nerves. That given a fair trial they fill the arteries and veins with new, rich, red blood that means good health, and even life itself; that they make weak, despondent people bright, active and strong.

## CONSTANT HEADACHES.

Mrs. E. C. Taylor, Ascut Ave., Toronto, says: "A few years ago I was so run down with anemia that I could scarcely walk about the house, and was not able to leave it. I had no color; I was constantly troubled with headaches, dizzy spells and general disinclination to move about or do anything. I tried many medicines, but none did me any good. One day a friend who was in to see me asked if I had tried Dr. Williams' Pink Pills. I had heard of this medicine often, but had not used it, so I determined to give it a trial. I certainly got a pleasant surprise, for after using two boxes I could feel an improvement in my condition. Continuing the use of these pills I began to regain my health, the headaches and dizzy spells were disappearing, and I began to gain in weight. People began enquiring what I was taking and I was not slow to give Dr. Williams' Pink Pills the credit. I took the pills for less than two months, and completely regained my old-time health and strength. I hope my experience may convince some doubting person as to the great merit of Dr. Williams' Pink Pills, as I have cause to be a firm champion of them."

## COULD SCARCELY WALK.

Miss Hannah Hamilton, Everett, Ont., says: "After an attack of a gripe I was so run down and anemic that I could scarcely walk; I had no color, no appetite, and constant headaches. The medicine I was taking was doing me no good and I had almost lost hope of getting better. I was asked to try Dr. Williams' Pink Pills and it was not long until I could feel that they were helping me, and after taking three boxes I was fully restored my health. I would urge every weak woman to give these pills a fair trial."

Do not be persuaded to take a substitute. See that the full trade mark name, "Dr. Williams' Pink Pills for Pale People," is printed on the wrapper around the box. If you cannot get these Pills through your dealer they will be sent by mail at 50 cents a box, or six boxes for \$2.50, by The Dr. Williams' Medicine Co., Brockville, Ont.

## MUST COMPLETE TWO YEARS' TERM

Soldiers Imprisoned Under the  
Army Act Would be Dis-  
charged for Misconduct  
After That Time.

London, April 4.—(Canadian Press Despatch from Reuters Limited)—In the House of Commons today, replying to Colonel William Thorne, Secretary of War Winston Churchill stated that soldiers, including conscientious objectors, who had been imprisoned for offences under the Army Act would be discharged from the army for misconduct, and released when they had completed two years imprisonment in England.

## LIGHTER CAPTAINS STILL UNDECIDED

May Yet Rescind Their Vote  
to Resume Work in New  
York Harbor.

New York, April 4.—Members of the Marine Hosts Engineers' Union voted unanimously today to reject a proposal of the New York Boat Owners' Association for a separate settlement in the harbor strike, called by the Marine Workers' Association.

At strike headquarters it was declared the Lighter Captains' Union, which recently accepted a separate settlement offer, would vote tomorrow on a proposal to rescind its action.

## PALE AND BLOODLESS.

Miss Dorina Bastien, St. Jerome, Que., says: "For over a year my health was gradually failing, my blood had become almost to have turned to water, my cheeks were pale, my lips bloodless, and the slightest exertion left me breathless. I suffered frequently from severe headaches, my appetite failed, and my friends feared I was going into consumption. I had been doctoring but did not derive any benefit, and finally I had to give up my work and return home. It was at this stage that a friend brought me a box of Dr. Williams' Pink Pills and urged me to try them. By the time the box was used I thought they were helping me, and decided to continue taking the pills. I took a half dozen boxes more, when my strength had completely returned, my appetite was restored, my color returned, headaches had disappeared and I was feeling better than I had been for years. I would urge every weak and ailing girl to give Dr. Williams' Pink Pills a fair trial."

## NEUROUS DEBILITY.

Mrs. Alex. Gillis, Glenville, N. S., says: "I cannot praise Dr. Williams' Pink Pills too highly. They are really a wonderful medicine. I was very much run-down, suffered from frequent dizzy spells, and had an almost constant severe pain in the back. My home work was a source of dread, I felt weak, and I had little enjoyment. Then I began taking Dr. Williams' Pink Pills and the result was almost marvellous. They made me feel like a new woman and fully restored my health. I would urge every weak woman to give these pills a fair trial."
