FREDERICTON.

Fredericton, June 3—(Special)—The King's coronation will be loyally celebrated here. The city council tonight appointed a committee to confer with a committe of citizens in reference to the oro-gramme that will be carried out. A sub-scription list will be started and, if neces-sary, the amount realized will be supple-mented by a city grant of \$300 or \$500.

Prof. E. Brydon Jack, of the U. N. B., has been appointed city engineer with-

river, where it was found.

Edmundston has a sensation, afforded by the arrest of four residents of Madawaska county by Quebec officials on charges of illegal killing of moose in Quebec. The prisoners were taken Friday to waska county by Quebec officials on charges of illegal killing of moose in Quebec. The prisoners were taken Friday to Edmundston, to be conveyed to River de Loup on Saturday via the Temiscouata railway. They retained Fred. LaForest, M. P. P., as counsel and he advised them to forcibly resist being put aboard the train on Saturday. This they did, with the result that a row took place and the prisoners finally got away. During the fracas the officers, drew revolvers and threatened to shoot, but did not make good the threat. They returned to River de Loup without the men. Mr. LaForest's contention is that officers from Quebec. the result that a row took place and the prisoners finally got away. During the fracas the officers, drew revolvers and threatened to shoot, but did not make good the threat. They returned to River de Loup without the men. Mr. LaForest's contention is that officers from Quebec with warrants sworn out under a law of that province had no authority or jurisdiction to come into New Brunswick and make arrests for crimes alleged to have been committed in the former province. Mr. LaForest came to Fredericton today to see Attorney-General Pugsley, but finding he was not here proceeded to St. John tonight. He thinks the case is one of provincial interest, and that the attorney-general will communicate with the attorney-general of Quebec in the matter. general will communicate with the attorney-general of Quebec in the matter.

Alderman Nicol reported the following of the schools here on Wednesday last or moves for judgment quasi non-suit: rule absolute.

King ye. Stuart ex parte Silles (first case on crown paper) is how being argued.

Fredericton, N. B., June 5- (Special)—On Tuesday last, Harvey Austin was arrested and placed in jail on a capias issued in the small debt court of Fredericton at the suit of W. C. Cumming. Tonight, Judge Wilson, on application of R. W. McLellan, counsel for Austin, granted a writ of habeas corpus on the ground that the magistrate had no jurisdiction, defendant and plaintiff, both being residents of Doaktown. Austin was released forthwith and will proceed against Cumming for perjury and false imprisonment; for perjury on the ground that the cumming, in his affidavit, swore that Austin belonged to Fredericton. Mr. Cumming is a prominent merchant in Doaktown.

The water in the river rose 18 inches in the past days and is now still. It was never known to be so high before at this season of the year.

A meeting of the committee arranging for the covonation celebration was held tonight in the city council chamber. The programme is not decided upon, but there is every indication that Fredericton will celebrate in good style, out doing even the big demonstration at Queen Victoria's diamond Juhiee. A parade of military and societies in the morning, aquatic sports in the afternoon and fireworks in the evening are among the features planned. The council will likely vote \$500 for expenses.

William Finnamore, of Regent street, dropped dead about 10.30 this evening St. Marys, in front of Albert Picardy's Mr. Finnamore and J. Driscoll were drive ing a cow and Mr. Driscoll was riding ahead in a buggy when, on looking back, he saw Mr. Finnamore lying in the road. He hurried back to him but a short ex-amination proved that death had come. Mr. Flinnamore was 70 years of age. He has two sons in South Africa and one in St. John—George, of the Roses base ball team. Doctor Mullen is holding an in-

WOODSTOCK.

Woodstock, June 3—The regular meeting of the town council was held last night. The bill of Dr. Thomas Morris, night. The bill of Dr. Thomas Morris, St. John, \$357, for his services during the late smallpox cases, was ordered paid. The mayor made reference to the recent peace settlement. He hoped the council would comply with the wishes of the board of trade and adopt Atlantic standard time, and, as well, assist as a body or as individuals in the coronation celebration now under consideration.

The selectmen of Houlton sent a letter to the council thanking it for the services The selectmen of Houlton sent a letter to the council thanking it for the services of the engine and firemen at their late fire, and agreeing to pay the town for the loss of hose which it suffered.

The expenditures for the month \$1,664.22: The expenditures for the month were \$1,664.22; receipts, \$227.21; debit bank balance, \$8,526.03. The Salvation Army will be able to use the town hall for an

President Roosevelt Sends Report on Investigation of British Shipments from Louisiana.

Colonel Crowder who made the investigation of the charges of Governor Heard, of Louisiana, that neutrality laws were being violated at Chalmette (La.)

Secretary Hay in a letter to the governor of Louisiana, dated June 3, sums up the main facts as found by Colonel Crowder and also gives the rules of international usage respecting the sale of goods to parties at war. Mr. Hay concludes as follows:—
"The right of our citizens to sall horse and mules and to ship them from New

orleans to any other port is as undoubted as their right to ship flour and meat, whether for the use of civilians or soldiers of the country of either belligerent. There is no shadow of excuse for the claim that there has been any violation of the days and obligations of pentrality. the duties and obligations of neutrality on the part of this nation." Colonel Crowder's report is an elaborate presentation of the conditions existing at Chalmette. He sums up his findings of the fact under six heads, which are

of the fact under six heads, which are substantially as follows:—

"1. The British remount commission, officers of which are operating and directing purchases and shipments of supplies in the United States, is a bureau of the English army administration.

"2. As organized by these officers Chalmette station is a governmental shipping agency for but one class of military supplies and it has not the character of a plies and it has not the character of a base of military supplies nor that of a

illitary camp or post.
"3. No attempts to recruit to the Brit ish army have been made at Chalmette station, nor does the evidence disclose any such attempts at other points in the United States. A few muleteers were re-

uited against the orders of the British "4. All shipments have been from the port of New Orleans to South African

sh admiralty under ordinary commercial

charters.

"5. The transactions of the commission aggregated \$17,939,350 from October, 1899, to March, 1902, with an average monthly value of \$597,978. The total shipments are given at 98,687 horses and 75,108 mules, 65 different vessels being engaged in the "6, All supplies have been for the use of the English army in South, Africa, the trade having no existence prior to the

Colonel Crowder adds that the port of New Orleans was extensively used in 1896-7 to supply the Spanish army then engaged in prosecuting hostilities in Cuba. Another Subway for Boston.
