Having been more than twenty years before the public, and having the united testimony of more than Three Millions of persons who have been restored to the enjoyment of persons who have been restored to the enjoyment of persect health by them, at is believed that their reputation as the best vegetable medicine now before the public, admits of no dispute. In amost every city and village in the United States there are many who are ready to testify to their efficacy in removing disease and giving to the whole system renewed vigor and health.

In cases of Scrofula, Ulcera, Scarvey or Eraptions of the skin, the operation of the Life Medicines is truly astonishing, often removing in a few days every vestige of these loathesome diseases by their purity ing effects on the blood. Fever and Ague, Dyspepsia, Dropsy, Piles and in short most all diseases, soon yield to their curative properties. No family should be without them, as by their timely use much suffering and expense may be saved.
