**Crawford & Smith,**

91 KING STREET, TORONTO,

Importers of Thomson's "Glove Fitting" Corset,

Which received the only Prize Medal at the Paris  
Exposition, 1867.

The "GLOVE FITTING" CORSET with its main transverse seams (which run around the body in graceful curves, instead of up and down, and which evade all strain and cannot rip,) excels in durability, gives ease and comfort to the wearer, supports the form, and always retains its perfect fit at the waist where it cannot stretch in wear, though elastic and self-adapting at top and bottom.

N.B.—Ladies in the country, on remitting \$2.25, can have a pair sent to any address, free of charge.
