VASSAR COLLEGE,
Poughkeepsie, N.Y.,

FOR THE LIBERAL EDUCATION OF WOMEN. Examinations for entrance, Sept. 15th. Catalogues sent on application to
W. L. DEAN, Registrar.

PICKERING COLLEGE.

TO PERSONS WHO WISH TO SECURE FOR their sons and daughters a thorough and practical education, and to young men and women who purpose preparing for Second and Third Class Teachers' Examinations, or for Matriculation into the University, or into the Law Society, or into the College of Physicians and Surgeons, this institution offers peculiar advantages. Its special features are:

1st. Although endowed and maintained by the Society of Friends, it is open to young people of both sexes of all denominations. All students are expected to attend some place of worship, but it may be that which they or their parents or guardians select.

2nd. It aims to give a first-rate education at the lowest possible cost. The fees are only \$150 per annum, or a proportionate amount for a shorter time; and they include tuition, board, washing, fuel, light, etc.—every necessary expense except text-books.

3rd. Its curriculum and studies are precisely the same as in our best High Schools and Collegiate Institutes. But students attending this College have many advantages not to be obtained in most High Schools; such as board in College building, a reading-room well supplied with the best current news and literature, comfortable study-rooms, parlours, bedrooms, etc., gymnasiums, playgrounds, etc.

4th. It is aimed to make the Scientific Department as thorough as possible. A very complete chemical apparatus has been purchased in Philadelphia, suitable for Second Class and Intermediate work. Every student in the department will be required to become a practical experimenter.

5th. A Commercial Form is established in which students are thoroughly taught Commercial Arithmetic, Composition, and Book-keeping. Any student in the Commercial form may take any other subject in addition.

6th. Students who do not wish to prepare for any examination may take an optional course, and devote their time to special subjects.

7th. The means afforded for mental recreation are ample. Besides the reading room, there is a Literary Society which meets once a week, and a course of lectures by leading educationists and others will be delivered during the winter.

8th. The College building is so arranged that the sexes are separate except during recitations and in the dining-room. Boys and young men are under the charge of the House-master. Young ladies are under the Governoress.

9th. The Committee and officers hope to maintain a good moral tone in the school. Bible classes are held every Sunday afternoon. On Sunday evenings, lectures on morals, character, and conduct are delivered by the Principal.

The management hope, by dealing fairly and carrying out faithfully all that is undertaken, to secure a good class of students.—None but those willing to do work for its own sake are invited to attend. The idle and vicious, after a fair trial, will be got rid of. There are no prizes, scholarships, or rewards; no marking system or competitive examinations.

The management can confidently refer to the work done in the College during the last year. Classes have been specially formed for all the Professional and University Examinations. The results of the year's teaching in these classes will be detailed in the new "Announcement," which will be ready on August 20th. *Especially attention is given to the Government INTERMEDIATE EXAMINATION, which is now the most important examination held in the Province.*

For full particulars, and for the "College Announcements," apply to

Principal, Pickering P.O.
Pickering, 30th July, 1880.

Desirable Investment.

There are few first-class investments outside the Preference Stock of THE FINANCIAL ASSOCIATION OF ONTARIO, which can be purchased at a price yielding eight per cent. per annum. The permanency of the eight per cent. dividend on this stock is insured by the first claim it has on the profits to that extent, and it is therefore a most desirable investment for those who wish an assured regular income. The Stock is now held in nearly every section of Canada, and its price will be increased to a premium as soon as thoroughly introduced.

PRESBYTERIAN YEAR BOOK FOR 1880.

Edited by Rev. James Cameron.

NOW READY,

The PRESBYTERIAN YEAR BOOK FOR 1880, containing full information about the Presbyterian Church in Canada, and a large amount of varied intelligence with regard to the present condition of the Presbyterian Churches of the United States, Great Britain and the Continent of Europe.

This publication was begun in 1875, and year by year has received favourable notices from our own press in Canada and the press of the United States, and also special favour and praise from the Assembly Clerks of various Presbyterian Churches.

The information contained in the issue for 1880, will be found unusually complete; and there are several illustrations of prominent church edifices.

OPINIONS OF MINISTERS, ASSEMBLY CLERKS, AND EDITORS.

"It contains complete information on almost every subject relating to the Presbyterian Church in the Dominion, and will prove of great value to the members of that denomination."—*Montreal Witness.*

"... This collection of varied and interesting information must secure for the work a cordial reception by all who take an interest in the position and prospects of the Presbyterian Church. It is printed, we may observe, in a neat, clear type, and its execution reflects credit both on the editor and the well-known firm by which it has been issued."—*Paris Transcript.*

"This is a 'handy-book' for Presbyterians, giving them a perfect plethora of information concerning their Church, in all its branches throughout the world. It is edited by the Rev. James Cameron of Chatsworth, who has thus done a great service to the Church of which he is an ornament and has rendered it inexcusable in any Presbyterian heretofore to be ignorant of the progress and position of his denomination."—*Palmerston Progress.*

"I need not say that I highly approve of your spirit and enterprise in compiling 'The Year Book of the Dominion.' You have rendered a great service to your churches, by whom your work should be extensively patronized, and your labour and editorial skill amply compensated. It is an admirable publication, and should be found in every Presbyterian habitation throughout 'the Dominion.'"—**EDWIN F. HATFIELD, Clerk of Presbyterian Church, U.S.A.**

"We seldom find, in so modest and unpretentious form, so much and so various ecclesiastical information. After a very exhaustive, yet concise, account of the Church, in her various branches in British North America, there is an account of the many families of our tribe 'scattered abroad,' acquainting us with even distant Australia. The relation subsisting between our Canadian brethren and us, is, ought to be, and must continue to be, of the very closest nature. It were well if our people, and particularly our ministers, availed themselves of the assistance this little work affords, as a convenient 'thesaurus' of valuable information."—*Philadelphia Presbyterian.*

Mr. Croil, of the "Presbyterian Record," says of the "Year Book": "It is one of the best thumbed periodicals in our office. Every Presbyterian should have it."

The "N. Y. Independent," a disinterested authority remarks: "It is one of the best ecclesiastical annuals published in the world. It not only gives complete denominational statistics for its own country, but for the Presbyterians in all parts of the world—the only Presbyterian Year Book that we know of that covers so much ground. There are also general statistics of great value."

Price 25 cents per copy. Post Free on receipt of price.
