### THE DOCTORS EXTEND THEIR TIME.

FIRST three months free of charge. On account of the large number of invalids who have been unable, owing to the rush, to consult the staff of eminent physicians and surgeons, now permanently located at No. 272 Jarvis Street (near Gerrard), before January 1st, these eminent doctors have kindly extended the time for giving their services free to March 1st, therefore all invalids who call upon them before March 1st will receive services for the first three months free of charge. The only favor desired is a recommendation from those whom they cure. The object in pursuing this course is to become rapidly and personally acquainted with the sick and afflicted.

The doctors treat every variety of disease and deformity, and will perform all surgical operations free this month, viz.: The removal of cancers, tumors, cataract, polypi, etc. All diseases of the eye, ear, throat, lungs, heart, stomach, liver, kidneys, bladder, and all female difficulties arising from whatever cause; nervous prostration, failing vitality and all diseases originating from impure blood are treated with the greatest success.

Catarrh in all its various forms cured by their new method, which consists in breaking up the cold-catching tendency, to which every person suffering from catarrh is susceptible.

Invalids will please not take offence if they are rejected as incurable. The physicians will examine you thoroughly free of charge, and if incurable they will positively tell you so. Also caution you against spending more money for useless medicine.

Remember the date, and go early, as their offices are crowded daily. Hours from 9 a.m. to 5 p.m., and from 7 to 8 p.m. Sundays from 2 to 4 p.m.

### CONSUMPTION CURED.

AN old physician, retired from practice, had placed in his hands, by an East India missionary, the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all Throat and Lung affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints. Having tested its wonderful curative powers in thousands of cases, and desiring to relieve human suffering, I will send free of charge to all who wish it, this recipe in German, French or English, with full directions for preparing and using. Sent by mail by addressing, with stamp, naming this paper, W. A. NOYES, 320 Powers' Block, Rochester, N.Y.

AN old smoker declares that he has been using "Myrtle Navy" tobacco ever since the second year of its manufacture, and that during that time he has never suffered from a blistered tongue or parched tonsils or any other of the unpleasant effect which most tobaccos will leave behind them. His experience, he says, is that no other tobacco which he has ever tried is quite its equal, and that in value for the money "no other comes anywhere near it."
