

Erecting buildings, machinery, &c.

Bridges and other works for passing streams, &c.

Other works necessary for the Rail-road.

As little damage as possible to be done, and compensation to be made.

Company by a sworn Surveyor and Engineer may take surveys and levels of the lands through which the Rail-road is to be carried.

Plan and book of reference to be made and deposited.

extending or maintaining the same respectively, according to the intent and purpose of this Act; and to make, build, erect and set up in or upon the said intended Rail-road, or upon the lands adjoining or near the same respectively, such and so many houses, ware-houses, toll-houses, watch-houses weighing beams, cranes, fire-engines, steam-engines, or other engines, either stationary or locomotive, inclined planes, machines, and other works, ways, roads and conveniences, as and when the said Company of Proprietors shall think requisite and convenient, for the purposes of the said Rail-road; and also from time to time to alter, repair, divert, widen, enlarge and extend the same, and also to make, maintain, repair and alter any fences or passages over, under or through the said intended Rail-road, and to construct, erect and keep in repair any bridges, arches and other works, upon and across any rivers or brooks for the making, using, maintaining and repairing the said intended Rail-road; and to construct, erect, make and do all other matters and things which they shall think convenient and necessary for the making, effecting, extending, preserving, improving, completing and easy using of the said intended Rail-road and other works, in pursuance of, and according to the true intent and meaning of this Act; they, the said Company of Proprietors, doing as little damage as may be, in the execution of the several powers to them hereby granted, and making satisfaction in manner hereinafter mentioned to the owners or proprietors of, or the persons interested in the lands, tenements or hereditaments, water, water-courses, brooks or rivers respectively, which shall be taken, used, removed, prejudiced, or of which the course shall be altered, or, for all damages to be by them sustained in or by the execution of all or any of the powers of this Act; and this Act shall be sufficient to indemnify the said Company of Proprietors and their servants, agents or workmen, and all other persons whatsoever for what they, or any of them, shall do by virtue of the powers hereby granted, subject nevertheless to such provisions and restrictions as are hereinafter mentioned.

IV. And be it enacted, That for the purposes of this Act, the said Company shall and may, by some sworn Land Surveyor in the Province, and by an Engineer, by them to be appointed, cause to be taken and made, surveys and levels of the said lands, through which the said intended Rail-road is to be carried, together with a map or plan of such Rail-road, and of the course and direction thereof, and of the said lands through which the same is to pass, and also a book of reference for the said Rail-road, in which shall be set forth
