Light Four  
Five Passenger  
Touring Sedan

## The Full Round of Seasons in Luxurious Comfort

FOR the winter? A closed car—  
by all means.

For the summer? An open car—  
most assuredly.

The Overland Light Four Touring  
Sedan is both an open and closed  
car.

And it is a smart appearing car either  
closed or open — in no sense a

makeshift, either way.

The side windows can easily be low-  
ered.

They drop into concealed slots in the  
body and doors.

This leaves the sides of the car above  
the body practically open from end  
to end whenever that is your  
humor.

And it's so little trouble that you'll  
shut the car up tight for even a  
light shower and have it all open  
again in a jiffy as soon as it's over.

Then there's the solid comfort all  
winter long of a perfectly enclosed  
car with all the protection of a  
limousine and the richness of closed  
car upholstery and interior finish.

Mounted on the economical Overland

Light Four chassis, this is an ideal  
every-purpose car.

And you'll be delighted with its lux-  
uriousness.

Enjoy the full round of the seasons in  
luxurious comfort.
