

# RED 'N' BLACK '67

## ATTENTION GIRL WATCHERS

Mrs. Shelia Roberts is this year, again, co-ordinating, directing, and arranging the Red 'n' Black kickline. This year's kickline is composed of 24 young belles. The opening number, with multi-color mini costumes, will dazzle all.

All new routines have been choreographed especially for this year's show and veterans of previous audiences will not be disappointed, especially by the headline numbers.

For those avid "girl-watchers", be sure to go early and get a front row seat.

THE TOADS MOTOR CAR

## ...NEXT WEEK

November 16, 17 and 18 (Thursday, Friday and Saturday) sees the return of the annual Red 'n' Black Revue. Rapid ticket sales are expected due to large advanced sales to alumni. Tickets will be on sale tomorrow at either the Student Centre, Smoke Shoppe, or Playhouse. Everyone is advised to buy early - as all three shows will be sold out soon.

This year's show directed by Pete Chipman and Bob Vincent sees the return of many of last year's favorites, including the Sophisticates and the Football team. This year's kickline has been expanded and now includes 24 glamorous girls.

One of the groups new to the show is "Toads Motor Car" who have proved themselves to be eye-catching during auditions and will certainly be appreciated by the audience. They are a diversified group with sounds ranging from Lightfoot to the Mamas and Papas.

Also new to the show is "The Needle's Eye" who will be the Pit Band this year. The group undoubtedly will give a sterling performance to enhance all numbers.

A touch of Tijuana will be supplied by our own "Herb Alpert", Art Gibson, together with a tremendous back-up, in whose repertoire is included "Spanish Flea". Ted Grey, a flamenco guitarist, well known to UNB, who captivated audiences at this year's Frosh week, and last year's Red 'n' Black, will return for another encore.

Pete Chipman once again will double as director and M.C. and audiences will be captivated by Pete's undisputed talent, both as a singer and guitarist and by his directing ability.

Co-directing with Pete is Bob Vincent, well-known on campus for his extra-curricular activities. Bob, as well as being yearbook editor, is also the "organization man" of this year's revue, handling all co-ordinating and miscellaneous details as well as directing.

For a guaranteed evening of light-hearted entertainment and enjoyment be sure to see this year's annual Red 'n' Black Revue at the Playhouse. Curtain goes up at 8:15 - tickets only \$1.25.
