Moreover, International' ID Cards are presently available from Neale for \$1.00. Finally, a trip to London, England is being planned for next May. Flights would leave from Fredericton airport and the return fare will be \$179.00. Anyone interested, may look for more

The basic purpose of Rap Room is to provide a place where anyone, whether they have a problem or not, can come and just talk to other people said, John Corbett, head of the Rap Room Steering Committee.

Rap Room is basically a stopgap agency, he indicated, which gives minor councilling and provides a referral service for those who need help with their problems. However. it is not necessary to have a problem to go to Rap Room, if you just feel like talking to someone, then you're just as welcome.

All the facts of any problems are kept strictly confidental and it isn't even necessary to give your name. There is a completely informal atmosphere Corbett said, which is more like that of friends. A referral will only be made if the person involved wishes it.

Rap Room is open as early as nine in the morning and as late as 12:30 at night. The service regretably isn't twenty four hours as there aren't enough volunteers around to man the shift. There are always two people on a shift, a guy and a girl.

Une thing that Rap Room is trying to get away from Corbett said, is the concept that they are a collection of freaks and dogooders. Rap Room's people are basically "straight people" who feel a genuine need to help others. Another thing is that Rap Room is not a clearing house for drug addicts or alcholics.

Rap Room is starting a program of showing National Film Board films in the curtained off section of the SUB. This series of films will begin, tentatively, on Nov. 7 The series will run 13 weeks and will be grouped into specific topics.

Also, in the near future, a series of open Forums will be

presented in the curtained off section of the SUB (Room 6). The phone numbers for Rap Room are 475-9983 and 475-9984

## You learn something new every day

One of the wonderful things about growing up is trying different things. Like Yoga. And forming your own opinion about all your new learning. Another part of growing up is finding out about sanitary protection. Maybe you're wondering if you're old enough for Tampax tampons. If you're of menstrual age, you're probably old enough.
