Ottawa, Jan. 16, 1926.

Mr. Watchorn, Esq.,
Brownlee,
Sask.

Dear Mr. Watchorn:

Thanks for your letter of the 11th instant.
This indicates the style of campaign carried on by the
Liberals. They are dealing differently with the Progressives
now in the House when they find they need their votes.

I am returning the enclosures as I doubt
if an opportunity will arise this session to make use of
them.

With renewed thanks,

Yours very truly,
