Hon. Arthur Meighen,
Ottawa, Ontario,
Canada.

Dear Mr. Meighen:-

I have your letter of the 11th. You need not worry about Ted on the water. I have great big canoes and he is a good swimmer. I have four life preservers in there and I am not going to take any canoes out unless they are rigged.

Now be sure and let the boy come. I want to show the people of this country a genuine type of a real Canadian boy, which I think is personified in Ted. I do wish you and Mrs. Meighen could find time to come out, if only for a few days. Our place is very accessible. You can leave Ottawa in the morning and be at the lodge for dinner that night, going most of the way by automobile.

Very truly yours,

W. A. Ulanian
