24<sup>th</sup> Sept. 86.

Sir,

I have the honor to request that you will be good enough to send a man without delay to put the stove and pipes in the office of the Corresponding Clerks in fit condition for use.

The pipes require to be taken down and cleaned, and some of the lengths which are burnt out should be replaced by new ones, so that accidents from fire may be avoided. The stove should also be repaired.

I have the honor to be  
Your <sup>devoted</sup> servant

A. Gobiel Esq.

Secretary for Deputy of the Supt. Genl  
Dept. of Public Works of Ind. Affairs  
Ottawa.
