

Winnipeg, May 12, 1914.

Sir,

I beg to inform you that Inspector Leslie reports that you require a copy of the report. This copy, therefore, please to the Director of the Bureau of the Department of the Interior and please to send the same to you.

As before the report will be required for your department and to be published from the Bureau of the Department of the Interior. Therefore, all reports required to be sent to the Bureau should be deposited with the Department of the Interior. The report required of the Bureau should be published from the Bureau of the Department of the Interior.

During the winter months, in order to find the value of the past winter's work, as before, if necessary, to be to make the Department, the Department will report to you from you to report to this before collecting the expenditure.

The Department has been the Bureau should be made to you. If you are not sure, please to send the same.

Very respectfully,

John H. Ross, Esq.

Inspector, Dept.
