A/D.I.A.R.  
K. F. Saunders,

Dear Sir:

In reply to your letter, file #1-601  
I wish to advise that aircraft CF-DSK has been damaged beyond repair  
and has been therefore, written off.

As I have never received the formal  
Certificates for that aircraft; I am unable to comply with your  
request to return them for cancellation.

Yours truly,

F. B. Myer
