The Board of Education have now completed their new High School Building, and are prepared to receive pupils from all parts of the country. The building is one of the finest in Ontario, and, with the extensive play-ground attached, affords the best High School accommodation in the Province. The rooms are large and thoroughly ventilated, and every attention has been given to the health requirements of the pupils.

The teaching staff is now very efficient, and has been highly complimented on its thoroughness and high position in the recent reports of the High school Inspectors.

Scholarships of Free Tuition will be given to all non-resident pupils who are successful in passing the Intermediate Examination, and special Prizes of Books will be given to the successful Resident Pupils who pass this examination.

The course is adapted both for those preparing themselves for Common School Teachers and for Matriculation in the University.
