

MOUNT ROYAL COLLEGE

is placed under the special care and protection of the Foster Father of the Infant Redeemer, the GLORIOUS ST. JOSEPH, and very respectfully

Dedicated

to the high-minded, honorable young men of America, who wisely and prudently select as a *pedestal* upon which to erect the superstructure of their lives and fortunes, and the *all-important superstructure of immortality*—integrity, industry, and honesty—truth, honor and religion, and whose spirit of enterprise, industry and perseverance is sufficient to enable them to combat and surmount successfully the various obstacles which adversity or misfortune may place in their paths, and who, through all the diverse vicissitudes of fortune never lose sight of the *one great end for which mankind* was created.

N.B.—The “Conditional Diplomas” announced in this catalogue are to be replaced by unconditional ones in “regular form” at the expiration of two years, upon the express condition that the recipients furnish to the College SATISFACTORY PROOFS of having preserved unblemished reputations—proofs of honesty, sobriety, integrity, industry, and morality—a condition highly advantageous to the young gentlemen themselves, and one which will, we feel assured, be appreciated and approved of by parents and business men alike.

N.B.—Studies will be resumed September 5th, 1882.

Ad Majorem Dei Gloriam.
