NEW BAND STUDY BOOK

Your Attention is Directed to a New Book Just Received Called

CHILDREN OF THE BIG WORLD

There are five lessons in this book, which may be easily extended to eight or ten, on children of different lands. It is founded on Mr. Copping's picture "The Hope of the World."

The AIM OF THESE LESSONS is to acquaint children with the children of other countries, and so interest them that they will wish to share their knowledge of Jesus, their Saviour and God their Heavenly Father, with these other children.

This book will be much more appealing to children if used with the pictures. You all know the principle of "The Eye Gate."

The Pictures are:—

THE HOPE OF THE WORLD, (in colors), large, 35c.

Pictures of AN INDIAN GIRL, A CHINESE STUDENT, A SOUTH SEA ISLANDER, AN AFRICAN BOY and AN ARAB GRAND-FATHER. These 5 pictures for 40c.

This will make an exceedingly interesting book for the study period in your Band. Let us send it to you for examination, it will only cost you postage.

PLEASE NOTE PRICES:—Children of the Big World, book, 25c.; Hope of the World, 35c.; Set of 5 pictures, mentioned above, 40c.

NEW POEMS FOR BANDS

THE BRAVEST SOLDIERS; HEAR THE SCHOOL BELLS RING; SEND OUT THE LIGHT; OUR MISSIONARY NURSE; HIS LAMPS

These are 1c. each.

GLIMPSES AND GLEAMS

We all remember that wonderful Band Study Book by Miss Archibald and Mrs. Mitchell, don't we? How we all enjoyed it! We had 700 for sale, and now we have not one, nor have we had for some time. And still requests are coming! Some have not read it yet, and the Literature Department is wondering if any person or persons will be unselfish enough to donate their copy to this Department. We will gladly pay postage on all that are sent in. WON'T YOU?—PLEASE.
