CALEDONIA SPRINGS.

THE favorable opinion I formerly entertained of the waters of the Caledonia Springs is MORE THAN CONFIRMED, as well from the benefits personally derived from their use, as from what I observed of their effects on others. The water should be drunk in moderate quantities before breakfast, and persevered in for some weeks at least.

OLDRIDGE'S
BALM OF COLUMBIA,
FOR THE HAIR.
ITS positive qualities are as follows:—
1st—For infants, keeping the head free from scurf, and causing a luxuriant growth of hair.
2nd—For ladies after child birth, restoring the skin to its natural strength and firmness, and preventing the falling out of the hair.
3rd—For any person recovering from debility, the same effect is produced.
4th—If used in infancy till a good growth is started, it may be preserved by attention to the latest period of life.
5th—It frees the head from dandruff, strengthens the roots, imparts health and vigour to the circulation, and prevents the hair from changing colour or getting gray.
6th—It causes the hair to curl beautifully when done up in it over night.
No ladies toilets should ever be made without it.
7th—Children who have by any means contracted vermin in the head, are immediately and perfectly cured of them by its use. It is infallible.
For sale by nearly all respectable druggists—
JOHN MUSSON,
Agent for Quebec, and to Messrs. SIMS & BOWLES, and BEGG & URQUHART.

THE LATE MAYOR of Philadelphia has certified under seal of the city to the character of several Divines, Physicians, and gentlemen of high standing who declare positively under their own hands (all of which may be seen at the place named below) that the Balm of Columbia is not only a certain preservative, but positively a restorative of the human hair; also a cure for Dandruff. Who shall dispute or who go bald?

HEADACHE,
SICK OR NERVOUS.
THE extraordinary reputation that Dr. Spohn's remedy for this distressing complaint is every day gaining is certainly a matter of much astonishment. That so much suffering should have existed for ages without any discovery of an effectual preventive, or cure, is truly a subject of much regret, but Dr. S. now assures the public that such a remedy has been invented as will convince the most incredulous.—The principles upon which it acts are simple and plain. It is an admitted fact that this complaint, whether Sick Headache, or Nervous Headache, arises primarily from the Stomach—those who think they have the Nervous Headache may rest assured that this organ, the stomach, is the first cause, that the system has become vitiated or debilitated, through the stomach, and that only through the same channel must they expect a restoration of the nature and healthy functions of the system. This object, Dr. Spohn's remedy is eminently calculated to attain. The truth of this position cannot be controverted, and the sooner sufferers with the headache become convinced of it, the sooner, will their sufferings end in restoration of health.—Dr. Spohn pledges his professional reputation on this fact. The remedy may be had of apothecaries generally throughout the United States.

THE HUMAN HAIR.
WHERE the hair is observed to be growing thin, nothing can be more preposterous than the use of oils, grease or any fatty matter. Their application can only be recommended through the grossest ignorance, as they hasten the fall of the hair, by increasing the relaxation of the skin. When there is a harsh, dry, or contracted skin, and where the small blood vessels which carry nourishment to the bulb are obstructed, then the oils, &c., may be good, as they tend to relax the skin; but alone they are of no avail. There must be a stimulus to rouse the vessels from their torpor, and quicken the current of the blood.—Extract from *Cutler's Treatise on the Hair.*
THE BALM OF COLUMBIA is the only preparation that can have that effect, being entirely free from any oily substance.

A CASE IN POINT.
I had unfortunately lost nearly all the hair from the top of my head, when I commenced the use of the Balm of Columbia, and have, by the use of two bottles had my head covered with a fine growth of hair.—There can be no mistake in the matter, as any of my friends can see by calling on me. I had also become quite gray, but had the gray hairs plucked out, and it has grown in as the Balm says of the natural colour. If any body doubts these facts, let them call upon me and see. I bought the Balm of Comstock & Co., 2, Fletcher Street.
