For Quick Duyers Only

The Metallic Roofing Co. Limited, throughout its 30 years' business, has always sold direct to farmers and given them marked price advantages, whenever they wished to buy in this way.

In publicly announcing this fact and in order to encourage farmers to place their orders for British-made goods at this time, we have decided to make a special price concession.—We will ship to any point in Old Ontario an order for not less than 3 squares of

EASTLAK

Galvanized Shingles

at \$5 per square less 5% for cash with order. The famous "Eastlake" Steel Shingle has earned a splendid reputation in the last 30 years. Superior construction gives them wonderful storm, rain and snow resisting qualities.

No "Keystone" or other foreign-made sheets used—we prefer to use British materials only and so should you.

You make no mistake using "Eastlake" Steel Shingles, as thousands of farmers all over Canada can testify—especially when you can get them at this very special price.
