MR. SUBSCRIBER:—

We find many of our clients are going carefully over their accounts and asking for new reports—some of them are sent to our Collection Department. Perhaps you may find a suggestion of value in this.

Have You Thousands of Possible Customers?

Are there thousands of people who would use your product if they knew a little more about it?

If so, tell them in the one way that will attract and hold their attention — through individual typewritten letters.

We can process you the requisite number of typewritten letters — process them through a ribbon, so that an expert couldn't distinguish them from real typewriting—and do it at a cost that will be small in proportion to the results you will receive. We are ready to send you samples and prices.
