### MEN EXEMPTED AS FARMERS

Having in view the importance of leaving a sufficient number of men on those farms, which are actually contributing to the National Food Supply, notice is hereby given as follows:

1. ALL MEMBERS OF CLASS I POSSESSING EXEMPTION AS FARMERS which is expiring and WHO WISH TO REMAIN EXEMPT should communicate with the Registrars under the M.S.A., of their respective districts, REQUESTING AN EXTENSION IN TIME OF SUCH EXEMPTION. Questionnaires will thereupon be issued to these men by the Registrar and they will receive further exemption upon furnishing satisfactory proof that they are contributing sufficiently to the National Food Supply.

2. In order to facilitate productive employment during the Winter months, MEN EXEMPTED AS FARMERS SHOULD APPLY TO THE REGISTRARS FOR PERMITS TO ENGAGE FOR THE WINTER IN SOME OCCUPATION OF NATIONAL INTEREST, SUCH AS LUMBERING, MUNITION WORK, ETC. Such permits will serve to enable exempted farmers to pursue other useful occupations for the months during which farming operations cannot be carried on.

## NORTHERN ONTARIO

Millions of acres of virgin soil, obtainable at 50c. an acre in some districts—in others free—are calling for cultivation.

Thousands of farmers have responded to the call of this fertile country, and are being made comfortable and rich. Here, right at the door of Old Ontario, a home awaits you. For full particulars as to terms, regulations and settlers' rates, write to:

G. H. FERGUSON, Minister of Lands, Forests and Mines.

## Dividend Announcement

WAR conditions, with the added strain imposed on the funds of Life Insurance Companies through increased death claims, depreciation in the value of investment securities, etc., have set many policyholders wondering what the effect may be on the dividends payable under their policies.

It is with much gratification that the Directors of this Company inform the policyholders that the financial strength of the Company is such that, after making due provision for the added responsibilities arising out of the war, dividends may still be safely paid to policyholders on the same liberal scale as heretofore. It will, therefore, be a welcome announcement to the policyholders of the Company that, during the coming year, they will receive dividends on the same basis as in the past.
