

\$27 100 Rods **\$27**
10-bar Fence

London Machines

Are designed for farmers to build their own fence with. They can do it at far less cost per rod than any factory, agent or contractor. Find out the weight per rod of other fences, figure it at current prices per pound, and you will save big money by buying the wire and building your own fence on the ground with a LONDON. London fences built on the ground stand the racket. Each and every wire is tight and does its duty.
