

MODERN Stable Fittings

Endorsed by Leading Stockmen
Throughout the Dominion.

Rush's Rotary U Bar Steel Stanchion

is without a doubt the best cow tie
in the world.

Cheaper to install, and gives cows
greater freedom than chains. No par-
titions necessary, therefore the stable is
light and airy, consequently more
healthful.

Our Galvanized Steel Water Bowl,

fitted with brass valve, has no equal
for strength, durability and general
utility.

The water supply is regulated auto-
matically, so that there is a constant
supply of fresh water of even tempera-
ture before the animals.

They are easily and cheaply installed,
and they will increase returns from your
stock fully fifteen to twenty per cent.

Beath's Feed and Litter Carrier

enjoys the reputation of being the
best.

This Carrier has solved the problem
of removing the manure from your stable
at a minimum of expense.

A boy 8 to 10 years old will do as much
with our Litter Carrier as two men can
do with wheelbarrows. The load can be
dumped on wagon or spreader and
drawn to the field at once. This saves
one handling.

Our Catalogue No. 16 tells all
about our complete line of
STABLE FITTINGS. Write for it

INTERNATIONAL LIVE-STOCK EX- POSITION, DECEMBER 1 TO 8, CHICAGO.

Prof. Andrew M. Soule, Dean and
Director of the Virginia Experiment Sta-
tion, writes:

"To thousands of stockmen, a visit to
the International will be a revelation. It
will teach them that many of the fine
pictures they have seen in print, and
which they have been pleased to feel were
the conception of the artist's mind, are
in reality but feeble reproductions of
the perfection exhibited by many of the
animals shown at this great fair. Why
not take advantage of an opportunity,
therefore, to see more splendid specimens
of live stock brought together in one
arena than can be viewed elsewhere in the
world for so small a cost? Magnificent
buildings have been provided by the Ex-
position company, and all the animals
can be seen under cover. One will have
plenty of opportunity to examine them
at leisure, talk with the men who have
bred and fed them, and come in contact
with a thousand inspiring influences
which have previously been strangers to
the heart of the stockman. Rubbing up
against one's fellows, learning of their
difficulties and how they have overcome
them is an invaluable experience. The
very bigness of the Exposition, the
variety and excellence of the exhibits, and
the wonderful fund of information to be
obtained by a few days spent there will
well repay any stockman for the trip.
The writer speaks from experience, and
has yet to learn of the man who has
visited the International and returned
feeling that he was not benefited im-
mensely."

Kenwood Stock Farm, the property of
Haining Bros., breeders of Shorthorn
cattle, Lincoln sheep and Berkshire hogs,
lies in Kent Co., Ont., three and a half
miles north of Highgate Station, on the
M. C. and P. M. R. R. The Shorthorns,
of which there are about 28 head, be-
long to the Matchless, Miss Ramsden,
Mayflower and several others tracing to
Imp. Pansy strains, among which are
such gilt-edged-bred cows as Pandora
(imp.), by Lovat Champion, dam Lenora,
by the Lustre-bred bull, Lord North, and
a three-year-old daughter of hers, Pan-
dora 2nd, by the Broadhooks bull, Imp.
Baron Beaufort. These belong to the
Miss Ramsden family. Madge 5th (imp.)
is a Bruce Mayflower, by Prince of the
Vale, dam Madge, by Golden Sceptre.
She has a heifer calf, by Imp. Gold Cup.
The others are all home-bred, a number
of them the get of the Watt-bred bull,
British Sailor =25595=, by Royal Sailor
(imp.), dam English Lady 2nd, by
Barnpton Hero. This bull nicked re-
markably well with the herd, the produce
being a rare, thick, mellow lot, and
wonderful doers, which, topped with the
richly-bred, high-class show bull now at
the head of the herd, must, and is, pro-
ducing wonderful results. He is Imp.
Jilt Victor, bred by John Young, Til-
bouries, sired by the Kiblean Beauty
bull, Lord Methuen, dam Scottish Queen,
by the Princess Royal bull, Scottish
Prince. Among the younger bulls for
sale is an eighteen-months-old, by the
present stock bull, and out of a Pansy-
bred cow, a big, stylish young bull. An-
other is a yearling, by Blythesome Ruler,
a son of Imp. Chief Ruler, and out of
a Matchless-bred dam. Another is ten
months old, by the same sire, and out
of Imp. Pandora. Another is Missie-
bred on both sides, ten months old. All
these are for sale, together with eight
heifers from six to twenty months of
age, all by the stock bull, among which
are some high-class show stuff, particu-
larly a roan yearling. The Lincolns are
essentially a gilt-edged lot, but, owing
to the brisk demand, are all sold that are
for sale. In Berkshire and Tamworth
hogs there are a few on hand, and more
coming on of both sexes, of a kind that
leaves nothing to be desired in their type
and quality. Write Haining Bros., to
Highgate P. O., Ont.

IF WOMEN ONLY KNEW

Thousands of women suffer untold miser-
ies every day with aching backs that really
have no business to ache. A woman's back
wasn't made so ache. Under ordinary
conditions it ought to be strong and ready
to help her bear the burdens of life.

It is hard to do housework with an ach-
ing back. Hours of misery at leisure or
at work. If women only knew the cause,
Backache comes from sick kidneys, and
what a lot of trouble sick kidneys cause in
the world.

But they can't help it. If more work is
put on them than they can stand it's not
to be wondered that they get out of order.
Backache is simply their cry for help.

DOAN'S KIDNEY PILLS

will help you. They're helping sick, over-
worked kidneys—all over the world—
making them strong, healthy and vigorous.
Mrs. P. Ryan, Douglas, Ont., writes: "For
over five months I was troubled with lame
back and was unable to move without
help. I tried all kinds of plasters and
liniments but they were no use. At last I
heard tell of Doan's Kidney Pills and
after I had used three-quarters of the box
my back was as strong and well as ever."

Price 50 cents per box or three boxes for
\$1.25, all dealers or The Doan Kidney Pill
Co., Toronto, Ont.
