Absolute Cure for Deafness Known.

This Oil is abstracted from peculiar species of small White Shark, caught in the Yel low Sea, known as Charcharddoor Ronde Lettl. Every Chinese fisherman knows it its virtues as a restorative of hearing were discovered by a Buddhist Priest about the year 1410. Its cures were so numerous, and many so seemingly miraculous, that the remedy was officially proclaimed over the entire Empire. Its use became so universa that for over 300 years no Deafness has exist that for over 300 years no Deafness has exist ed among the Chinese people. Hear What the Deaf Say!

It has performed a miracle in my case.

I have no unearthly noises in my head and hear much better.

I have been greatly benefitted.

My deafness helped a great deal—think another bottle will cure me.

"Its virtues are unquestionable and its curative character absolute, as the writer can personally testify, both from experience and observation. Write at once to HAYLOCK & JENNEY, 7 Dey Street, New York, enclosing \$1.00, and you will receive in return a remedy that will enable you to hear like anybody clee, and whose curative effects will be permanent.
