On the least alarm he used to go off in a kind of fit, becoming motionless and black in the face, his heart at the same time palpitating in the most alarming manner. Each fit was worse than the preceeding one, causing us to fear heart disease. Hear ing of some of the numerous cures effected by your medicines in this and other localities, I procured from your agent, Mr. E. A. Gile, a bottle of your No. 2 Bitters, and before it was half gone I noticed a marked improvement in the child's health. A second bottle compleated the cure. In this present age, when the life battle is so fiercely fought, and when upon even the strongest the tug and stress of it tells so heavily, how necessary it becomes for us to provide for the keeping up of our reserve stock of mental and physical stamina by the use of such a nervous tonic and vitalizing agent as Robinson's Phosphorized Emulsion of Cod Liver Oil with Lacto phosphate of Lime.

THIS DISCOVERY Is the result of a series of Scientific Experiments based upon the theory that for the successful cure of Wasting Dis eases, the nervous system must be made

vigorous and healthy." One of the first symptoms of disease affecting either the Liver, Lungs, Heart Stomach, or Genital Organs, is a loss of nervous power. This is followed by muscular relaxation, weakness, and emaciation of all the organs which depend for health

on involuntary muscular action, the weaker suffering first. Now, as the muscles and nerves de so much upon each other for efficient strength and action, and as the organ they control depend on both, it becomes an actual necessity to treat the nerves and muscles directly in order to speedily and

permanently cure diseases of the above named organs. The inventor, acting upon these after months of experience, during which time he had ample opportunity for trying the effect of his discovery, became convinced that no other preparation known contained so potent and direct an effect

upon the nervous system as his COMPOUND SYRUP OF HYPOPHOSPHITES and except in cases of actual organic loss that it would restore patients suffering from those muladies.

Amongst the diseases overcome by the use of this remedy are the following:-Chronic Constipation,

Chronic Dyspepsia, Asthma, Chronic Bronchitis, Consumption, Chronic Diarrhœa. Chronic Laryngitis,

Melancholy,

Nervous Debility. FELLOWS' COMPOUND SYRUP OF HYPOPHOSPHITES The power of arresting diseases displayed by this preparation is honorably acknowledged by the medical faculty in every section where it has been introduced; and the large sale is the best guarantee of the estimation in which it is

held by the public. This Syrup will cure Pulmonary Consumption in the first and second stages, will give great relief and prolong life in the third. It will care all diseases originate nating from want of Muscular action and

Negvous Force. Do not be deceived by remedies bearing a similar name no other preparation is a substitute for this under any circumstance Look out for the name and address J.I Fellows', St. John, N.B., on the yellow wrapper in watermark which is seen by
