

Memorial Stained Glass Windows

THE ABOVE ILLUSTRATION REPRESENTS A PORTION OF A LARGE WINDOW WHICH IS APPROACHING COMPLETION IN OUR STUDIOS

In the depth of our feeling of personal loss, let us not forget that the deeds of our own time may prove a real example and incentive for the future. - - Stained Glass Memorial Windows form a permanent and fittingly beautiful means of commemorating noble lives and works.

A booklet "On the making of Stained Glass Windows" will be forwarded upon request.
