CURING THE DRINK HABIT

If those who really desire to give up the Drink Habit will try the cure that the Rev. H. C. Dixon represents in Canada, they will find it successful. Taken at home—absolutely safe—is not excelled in the world.

The Sons of Temperance of Massachusetts—through the Hon. Charles Demitt—wrote: "After careful examination, have adopted the cure as a State cure and voted to purchase 1,000 treat-ments to use in its work of reforming drinking men."

The Grand Secretary of Independent Order of Good Templars, in U.S., wrote: "I have carefully examined the cure and say it is a perfect cure"

Hon. N. E. Martin, Concord, says: "I have known more than a score of men who have taken the treatment, and in every instance a cure was effected."

Hon. L. S. Coffin—"I only wish I could make my recommendation a thousand-fold stronger."
