E. D. Smith's Jams and Jellies

THE unqualified success of E. D. S. products is the direct result of **QUALITY**—of painstaking, “fresh from orchard to table” quality.

Only the finest fruits, the highest grade, and most perfect vegetables ripened on tree, bush and vine and fully matured in Mother Earth, go into E. D. S. Products. No long rail haul, no chance for decay, no picking green. Only a matter of hours from the time they are picked until they are canned ready for the table.

They cost no more, but give the grocer and consumer better value. Stock up now.
