

## GET A GALLOWAY

Unqualified satisfaction guaranteed, plenty of time given to satisfy yourself, and it is sold direct from our own factory to your farm with one small factory profit, so that you save from \$50 to \$300, depending on the size engine you buy. That money stays right in your own pocket and you get a better engine.

The Galloway is the most practical engine. It has built into it the engine experience of 50 years. It's the simplest, easiest understood, and therefore free from expensive stoppage for any reason.

My best proof is the fact that tens of thousands of farmers call the Galloway engine the simplest, easiest operated, and best engine they ever saw. They bought it after considering the merits of every other engine in the market, and after years of use they pin their faith to the Galloway.

You want to try a Galloway at my risk. I guarantee to ship promptly, I warrant it will arrive in good condition; I guarantee that you can operate it easily; and I promise you faithfully if in any way you are not pleased with the engine I will refund you all your money, pay the freight both ways and take the engine back to Winnipeg. Better still, I have a special proposition which I would like to make you by which you can partly or entirely pay for your engine. Write today for my new catalog.
