FINE CONCERT AT BRIDGE ST.

Program of High Class Music Furnished by Local Artists Last Evening.

Owing to the warm weather and counter attractions, the audience at the concert in Bridge Street Church Sunday School Rooms was not as large as expected. But the quality of the musical numbers made the entertainment one of the most successful ever held from Belleville from an art standpoint. There were numbers by request, classical compositions intensely beautiful lyrics, which never fail to delight. Every number was sung with a finish an excellence.

LAI D TO REST

MRS. ANGUS DUMINIE.

The funeral of the late Mrs. Angus Duminie was held this morning from her late residence, 98 Pinnacle street to St. Michael's Roman Catholic church where the Rev. Father Killen celebrated solemn requiem mass in the presence of many relatives and friends of the deceased. The interment was in St. James' cemetery, the bearers being Messrs A. Goyer, P. Frechette, sr., J. Malysa, D. Gallagher, Geo. Martin, and J. Hickey.

Many beautiful floral tributes and numerous spiritual offerings bore testimony to the sympathy of the large circle of acquaintances of the family.

Carleton—Morton Nuptials

A very pretty wedding was solemnized at Christ Church, Thomasburg, Wednesday evening, June 10th, when Miss Mary Mildred Morton, youngest daughter of Mr. and Mrs. Thompson Morton was united in the Holy Bonds of matrimony to Mr. Robert Lorne Carleton.

To the strains of the wedding march played by Mrs. C. E. Waterhouse, sister of the bride, the bridal party entered the church, the bride leaning on the arm of her father, who gave her away. The bride and groom were unattended. The ceremony was performed by Rev. S. E. Morton, M.A., brother of the bride assisted by Rev. John Lyons, M.A., rector of the parish.

After the ceremony a reception was held at the bride's home where only a few of the immediate relatives were present. The bride received many beautiful presents. The groom's present to the bride was a gold watch and fob.

We all join in wishing Mr. and Mrs. Carleton a long and happy married life.

It is wise to prevent disorder. Many causes lead to disorders of the stomach and few are free from them. At the first manifestation that the stomach and liver are not performing their functions, a course of Parment's Vegetable Pills should be tried, and it will be found that the digestive organs will speedily resume healthy action. Laxatives and cathartics are so denuded in these pills that no other preparation could be so effective as they.

Rules of The Ontario Summer Pastime

Read these and keep them handy for future reference.

How to Win a Prize

In The Ontario, there will be published each day, a rebus picture similar in size and idea to that shown below. There will be 75 pictures in all. Each represents the name of a well-known player of baseball, football, hockey, or lacrosse. There are no dummies or false names—each and every rebus picture can be solved.

The rules printed in the adjoining columns will govern The Ontario Summer Pastime. One person, if industrious, may win as many as four prizes. Read what is printed here daily until you are familiar with the general conditions of the whole Pastime. The time spent is likely to be very profitable to you!

Open to Women, Men, Boys and Girls

Every Reader of The Ontario has the right to enter this Pastime by using the Answer Forms. The arrangements and conditions are such that no knowledge of baseball, lacrosse, hockey or football is necessary. All can study with equal advantage. Start today and try it. Remember there are Seven Prizes.

ANSWER FORM NO. 1. ONTARIO SUMMER PASTIME

THE NAME REPRESENTED BY THE PICTURE IS

NAME OF PARTICIPANT

ADDRESS

Aids to Winning

Study the picture carefully and consider how you may apply it to a person's name. The bust on the pedestal is that of a famous musical composer and the two musicians are his admirers. The conversation may give a clue to part of the name and the bust (or statue) may give the clue to another part of the name, although the last or surname will suffice. The name of the player represented in the picture above is one of the following—Partell, Pick, Oldham, Madden, Hawley, Smith, Cunningham, Keller, Dorn, Couchman, Elliott, Shafter, Markie, Wiltsie, Otokinabe, Tom Seaton, Archer, Hans Wagner, Whaling, Delvin, Dickson, Hyland, Robe, Marquard, Bender, Groom, Rondeau, Doyle, Snodgrass or Stock, WHICH! Study it out! Later on, we shall give no such clues but we wish now to show you the way to proceed.

Keep your answer Form in a safe place and await the picture in next week's issue, when we intimate an advance will be that of a well known musical player.

No knowledge of baseball, lacrosse, hockey or football is necessary. There is only one fully and logically correct answer to a picture. The Rules in adjoining columns state the simple conditions of the pleasurable Summer Pastime. Make a good start; and "keep at it!"

PLEASE A GAME. The competition known as the Belleville Ontario Summer Pastime will be held through the columns of this newspaper beginning Monday, June 15th and continuing 75 days. In each issue of The Ontario there will be printed a rebus picture out of which the name of a baseball, lacrosse, hockey, or football player can be made. The names are generally known throughout Canada, and being published in newspapers frequently, a part of the names are Canadian and a part are from the important leagues of the United States.

HOW TO STUDY. See how a rebus picture will apply to any name you know. For example MASON might be represented by a mason at work and WAGNER by a picture or statue of the famous musician. Only one name will logically fit any rebus picture when carefully analyzed. Although initials, first names or nicknames may be worked into rebus pictures as a guide to correct solving, it will suffice if surnames are written in Answer Form.

USE THE ANSWER FORM. Under each picture will be printed a numbered Summer Pastime Answer Form. On this the name of the player is to be written and when the series of Answer Form Coupons is completed there will be seventy-five names. Only one name may be written on one Form. The contestant is to keep his or her forms until the end of the series, then send to this office, the names written additionally on a form that will be printed in the Ontario after the last picture has appeared.

WINNERS. The person who sends in the set of 75 Answer Forms with largest number of correct names will be entitled to the first prize. If there should be a tie, then the prize will be evenly divided, unless there should be more than three participants tied for a prize, in which case those who have sent in sets of equal merit will be given a further opportunity to determine which shall win by solving a supplementary competition test. This rule will also apply to the lesser prizes. There will be no lottery or chance selection; all winners will be rewarded according to merit.

COMMITTEE. A Summer Pastime Committee of fair-minded persons of high standing, who have no personal interest in this establishment on in the Pastime, will be selected to ascertain the winners. The decision of the committee shall be final and all who enter do so distinctly upon this understanding.

OPEN TO ALL. The Ontario Summer Pastime is open to everybody—excepting employes of this newspaper and their families—regardless of sex or age; and it makes no distinction where a competitor lives. Provided the package of Answer Forms is returned within the time allowed.

COMBINATION. The Ontario Summer Pastime, with its \$50.00 in cash rewards, is being operated by The Belleville Ontario and in Belleville Weekly Ontario. Readers of The Ontario who may wish to give distant friends the pleasure of participating in the Summer Pastime, as well as in enjoying a wholesome weekly periodical of unusual interest, should call their attention to this opportunity; or better still, subscribe to the Weekly Ontario for a friend at \$1 for a full year or 50c for six months.

GENERAL RULES. Answer Forms may be filled in with pencil, ink or typewriter. Poor handwriting or trifling errors will not count against a participant. No sets of Answer Forms are to be sent in until called for in The Ontario after the last rebus picture has appeared. The management reserves the right to make any modification in the rules that may be found necessary during the progress of the Summer Pastime, or until the Committee takes charge. One participant may send in as many separate sets of Answer Forms as desired but he or she will be allowed to win not over four prizes. All persons are treated as independent individuals; therefore two or more members of a family or household are not to share rights as if they were strangers to each other.

QUESTIONS ANSWERED. Those who feel it necessary to ask any questions may write to Summer Pastime Department, The Ontario, Belleville and the letter will be placed with others to be answered in the columns of The Ontario from time to time.

SAVE THE CHILDREN.

Mothers who keep a box of Baby's Own Tablets in the house may feel that the lives of their little ones are reasonably safe during the hot weather. Stomach troubles, cholera infantum and diarrhoea carry off thousands of little ones every summer, in most cases because the mother does not have a safe medicine at hand to cure them promptly. Baby's Own Tablets cure these troubles, or if given occasionally to the well child will prevent their coming on. The Tablets are guaranteed by a government analyst to be absolutely harmless even to the newborn babe. They are especially good in the summer because they regulate the bowels and keep the stomach sweet and pure. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.
