HALSEY'S CURE-ALL.

THIS Article is a Vegetable Remedy Universally used in the Southern States of America, and is the discovery of a Gentleman of Cincinnati, Ohio, who, after many years of extensive practice, found it to be the most effectual remedy for the cure of the complaints therein mentioned. Numerous Certificates, from Clergymen, Doctors, and Old Residents in the Country, have been received, testifying to the wonderful cures effected by it, and the results have been permanent, proved by the test of time. In incredible short time.

The most excruciating suffering, caused from Burns, Scalds, Bruises, and other accidents, are at once relieved by it, and entirely cured in a few days' time.

The most acute and painful Toothache is cured by it in a few minutes.

Swelled Face and Sore Throat, produced by bad colds, are quickly relieved by its use.

It is highly effectual in Rheumatism and Tender-ness, producing immediate relief.

The following are some of the Complaints in which the Cure-All is recommended, as it has proved a great cure in the following cases, viz.:—

Rheumatism, Sore Throat, Sore Eyes, Pains in the Side, Limbs and Back, Headache, Colds, Fever, Bruises, Strains, Tumors, Eruptions of the Skin, Chilblains, Chronic Pains, Burns, Scalds, Old and Broken Sores, Contracted Muscles, Pains and Swelling in the Face, Mumps, Sore Throat, Ringworm, Barbers' Itch, Erysipelas, Salt Rheum, Old and Fresh Wounds, and Injuries of every description.

"THE BLOOD IS THE LIFE,"

IN THE LANGUAGE OF SCRIPTURE.

DR. HALSEY'S FOREST WINE.

FROM its rare merits and great works, this Wine is fast becoming the favorite medicine among every class of people. Known as the most efficient remedy for general Debility, Nervous Affections, Consumptive Decline, Complaints of the Kidneys, Heart, Lungs, and, above all, for diseases arising from impure Blood and habit of the System, semi-cast members of the Medical Faculty have sanctioned and advised the use of it.

Dr. L. A. STANLY, a celebrated Physician, in a letter from Princeton, New Jersey, dated November 16, 1849, declares that in all his experience he had never seen anything to compare with the Forest Wine as the King of Medicines. It has done for me in five weeks what three Physicians failed to do for me in many years. In 1845, I became a victim of the Heart Disease and Nervous Affection, which have been growing on me ever since; and, until I procured your Forest Wine and Pills, although I had wasted several hundred dollars for medical advice. During the last two years I was obliged to keep my house nearly all the time, and gave up business in consequence of my ill health. I had nearly lost all hope of recovery, my complaint was of that class and kind which "a stranger shall not intermeddle with." Seeing your Forest Wine advertised, I concluded to give it a trial, and before finishing the third bottle I felt like a different person, and was able to resume business again, entirely cured, by taking five bottles. For the benefit of those afflicted with similar complaints you are at liberty to publish this. Yours, &c.,

JOHNSON BURKE, Waverly Place, N. Y.

HEMISTEAD, Dec. 1, 1847.

DR. HALSEY:—A bottle of your Forest Wine and box of Pills, which I procured of Mr. James Cary, (your Agent for this place,) has done wonders for me. I had been in a state of decline for more than 4 years, afflicted with a dreadful cough, pain in the breast, general debility, and loss of appetite. I became almost a skeleton, and had been unable to leave my room for more than two months; my friends told me I had the Consumption, and despaired of my recovery. I could not obtain any permanent relief from any medicine I had taken, or any physician, until your Wine and Pills were prescribed. The first dose of the Pills brought up from my stomach such a pile of real greenish matter, and my stomach was perfectly clean. I then commenced taking the Forest Wine three times a day, my appetite began to return immediately, my cough left me, and in less than two weeks I was almost well. I now enjoy better health than I ever did before, having increased twenty five pounds in seven weeks. Your Forest Wine and Pills are highly valuable for their virtues, and I can say sincerely entirely to their virtues. Yours, truthfully,

MARTIN CALDWELL.

The following Certificate, voluntarily given by Mr. E. G. Mussey, a respectable and well-known citizen of Cohoes, New York, is an evidence which must remove all doubts of the great efficacy of the Forest Wine in GENERAL DEBILITY, NEURALGIA, AFFECTIONS OF THE SPINE AND KIDNEYS:—

That is to certify, that I have used Dr. Halsey's Forest Wine and Pills, and am happy to say with the most entire success. My wife was badly afflicted with Neuralgia, affections of the Spine and Kidneys, and general Debility. She found speedy relief, and regained her health, by the use of the Forest Wine.

From my own knowledge of this excellent medicine, I confidently recommend it for the good of others who may be suffering with similar complaints. It is the best medicine with which I am acquainted, and those who are afflicted with the above, or any similar diseases, may safely rely on its virtues.

COHOES, March 6, 1850. E. G. MUSSEY.

More Testimony from Cohoes.

DR. G. W. HALSEY:—DEAR SIR,—My wife last autumn was reduced to a low state of health. My family Physician advised her to take your Forest Wine. Accordingly I went to Mr. Terry's, your Agent for this town, and procured a bottle of it, which restored her in a very short time to perfect health.

HENRY DONALDSON.

COHOES, April 13, 1850.

The testimony of upwards of three hundred individuals, some of whom were afflicted with dreadful disorders, and a number of incurable, may be seen at Dr. Halsey's principal Office. The following are some of those residing in this city:—

Mr. Asa S. Smith, 167, Prince Street, Office in Wall Street, was long severely afflicted with a disease of the kidneys and bladder. His best medical skill answered no purpose. He tried the Forest Wine, and it met his case, and he was soon entirely cured by the use of four bottles and a half of the Forest Pills.

Mr. John R. Bell, Merchant, in Pearl Street, was for four years a martyr to severe Rheumatic Pains, and could find no relief until he used the Forest Wine and Pills, and recovered by taking six bottles and less than a half of the Pills.

The wonderful efficacy of the Forest Wine is very striking in the case of Hon. S. I. Brown, of Virginia, who was cured in a few hours' time of a severe attack of Spasmodic Diarrhœa and prostration of the system. On the arrival of this gentleman in New York from Mexico, he was an emaciated mere skeleton from the effects of the disease, and was cured only, and entirely, assisted by one of his friends to walk to his apartments. The Wine was given him in small doses of the Pills.

The Forest Wine and Pills are for sale only at the Depot, and certain cure to all the following complaints:—

With pleasure I assert, that the use of SMITH'S EXTERMINATOR was attended with complete success in destroying Cockroaches, Beetles, and Rats, in and about my premises; which was effected without any inconvenience.

C. F. BAILLARGEON, Pre.

Quebec, 7th March, 1846.

My premises have been infested with Rats for several years, and I have tried various means to rid myself of the nuisance, but in vain, however. Having been strongly recommended SMITH'S EXTERMINATOR, I have much pleasure in testifying that its use has been perfectly successful in the total destruction of the Rats with which my place abounded, and that without the least inconvenience.

I hereby certify, that by using SMITH'S EXTERMINATOR it has perfectly succeeded in ridding the College Premises of Cockroaches, Crickets, and such like disgusting insects, which were before very numerous.

S. VILLENEUVE,
Director of Montreal College.

Montreal, April 29, 1848.

From the Rev. B. Davis, D. D., Minister of the Baptist Church, Montreal.

I most willingly bear testimony to the good effects of SMITH'S EXTERMINATOR. I found my present dwelling over-run with Beetles; the nuisance bid defiance to all efforts to abate it, until this preparation was applied. One Box has sufficed to exterminate the Insects almost entirely from the house. Similar cases of success have occurred in my neighborhood.

D. SHERWOOD'S GALVANIC EMBROCATION

NEW YORK.

THIS GALVANIC EMBROCATION is an unparalleled remedy for the Cure of Rheumatism, Agueish or Chronic, wandering pains in the Head, Joints or Limbs, Tic Douloureux and Gout, in its worst forms, Palsy, Fits, Scrofula or King's Evil, Spinal and Hip Complaints, Stiffness of the Joints, Lumbago, Stomach Complaints, Chilblains, Fever Sores, Sore Throat, Sore Eyes, White Swellings, Diseases of the Skin, Ring Worms, White Swellings, Diseases of the Skin, Ulcers, Tumors, Cancers, Goitre or Thick Neck. It is likewise highly recommended for its wonderful scientific and wise virtues in curing Inflammation of the Neck, Affections of the Spine, Mercurial Affections, &c., &c., &c.

It is now generally admitted, by the learned and scientific, that the person now called *Galvanism* or *Magnetism* is in fact the principle of Vitality or Life, and that disease in many of its most painful forms is entirely owing to the absence of this Principle, and that Nature herself supplies its proportions. If, then, we can readily supply this wondrous power, when it is thus deficient, we can successfully combat disease; and this has been fully proved by the Inventor of this remedy years of study and labor.

There is not an intelligent Physician, who has kept pace with the progress of science, that does not readily approve of the use of the Magnetic or Galvanic fluid in various diseases, and there is scarcely a Medical Journal, either in this country or Europe, which makes its appearance, without the statement of various cases, showing unmistakable evidence of their beneficial use. The inventor of the *Galvanic Embrocation* has great pleasure in being able to state, that a majority of the Medical Faculty and Physicians of New York constantly recommend this Embrocation in their practice, and from many of them he has received the kindest testimonials of approval and commendation.

ELEGANT AND INVALUABLE ARTICLES FOR THE TOILET.

BOGLE'S HYPERION FLUID,
FOR RESTORING, PRESERVING, AND EMBELLISHING THE HAIR.

The following Certificate from Dr. Winslow Lewis, one of the most eminent Physicians of Boston, will show the estimation in which it is held by the scientific and medical faculty of many similar ones.

Boston, Feb. 15, 1847.

Mr. WM. BOGLE.—Sir,—The preparation invented by you for the hair, has been extensively used in my family, and they give it the decided preference over all other compositions of the kind. It invigorates the roots of the hair, and cleans the skin of all impurities, without producing any ultimate deleterious effects, which are so frequently the result of many well-known patented compounds.

WINSLOW LEWIS.

It is an indispensable article for the Ladies, as it keeps the hair in place and curl, and the skin or parting of the hair free from dandruff and scurf. For children, it lays the foundation of a good head of hair.

BOGLE'S AMOLE,
A COMPOUND FOR SHAVING.

This delightful article is totally different and far superior to anything yet invented for shaving. The base of it is derived from the *Amole*, or "soap plant," of California, the antiseptic virtues of which are well known. It forms an article used by the natives of that country for washing; and (like the use of strong alkali, so hurtful to the skin, is avoided. Its vegetable and detergent properties leave the pores of most moisturising effects on the skin, creamy lather, and allays irritation, and heat of the skin, creamy lather, much does not dry on the face. It is a decided luxury to be shaved with this incomparable soap. It is done up in elegant style, enclosed either in the dressing case of the finest ivory and ready for immediate, or the toilet of the most fastidious connoisseur.

BALDNESS CURED.

The following is from Signor F. Borrett, Saratoga Street, East Boston:

EAST BOSTON, Feb. 8, 1849.

Mr. William Bogle,—Dear Sir,—For several years past, my pate has been furnished with baldness on the Crown of the head, about six or seven inches in circumference. After repeated failures of other articles purporting to restore the hair, I was induced to call at your depot, and purchase a bottle of your Hyperion Fluid, which I am happy to say has, in a few weeks, restored the hair to its former fullness, and I am happy to say that it is now of a good color, and very luxuriantly; and am induced to make this statement, that others may be induced to call and more vigorous, I can recommend that unequalled article to the public. Yours respectfully,

SIGNOR F. BARRETT.

BOGLE'S HESPERIONA,

Eradicating Tans, Pimples, Blotches, Freckles, Sunburns, and all cutaneous disfigurations, rendering it fair, delicate, and blooming. It is particularly efficacious in preventing the skin from the ill effects of cold, heat, and the variations of weather, and is the most fragrant and delicious article in the world for the toilet of Gentlemen.

All the above articles have stood the test of the severest investigation, and are WARRANTED superior to anything yet invented.

HUMAN HAIR.—HYPERION FLUID.—The following testimonial is from a lady of high standing in society, and is given unsolicited, as that lady considers it perfectly necessary that the qualities of every article of merit should be made known, that others may be benefitted by its use. Many other testimonials of a similar character, setting forth their many good qualities, could be produced, but the following is sufficient:—

"I have much pleasure in recommending Bogle's Hyperion Fluid to the public, as I have used it for some time, and find it to be the best article I have ever tried for the hair, and I have tried many. It is the only article that has ever given my hair a beautiful gloss, and I have used many. It is the only article that has ever given my hair a beautiful gloss, and I have used many.
