### YOUR ASSETS.

Have you ever taken careful stock of your assets to see how much you had in health, wealth and modern advantages to help you climb the ladder to better things?

Many people do not take the trouble to consider just what their assets are and, indeed, are never really aware of many of them. For this reason many of their assets lie idle and they never realize on them.

But there is one asset that is common to all people, and one that no one in these days. can afford to overlook; namely, the Want Ads of the news,

Take the time to think of the many ways in which the Want Ads can help you in your daily living. Then use them!

Dietetic Habits. Some people seem to think that t egetarian is a curiosity. A rough calculation shows that the population of the world, now estimated approxi-mately at 1,600,000,000, is said to be divided as to dietetic habits about as follows: Strict vegetarians, 250,000, 000; practically vegetarians, but eat eating meat about once a week (on high days and holidays), 500,000,000; eating meat daily and sometimes more than once a day, 400,000,000.

> That Golden Tomorrow.
>
> It is easy to believe in that golden tomorrow. To young people particularly, the future seems bright with promise, no matter what the compromise, no matter what the com-plexion of the present. But it should be remembered that tomorrow is like-ly to have a strong resemblance to to-day, and that the future is made gold-sn by ardent work in the present.

Swift-Running Animals.
The swiftest dog in the world, the porzol, or Russian wolfhound, has made record runs that show 75 feet in a second, while the gazelle has shown measured speed of more than 70 feet a second, which would give it a speed of 4,500 feet in a minute if the ce could be kept up.

Very Much Out of Place.

Among the guests at a reception was a distinguished man of letters. One of the ladies present suggested to the hostess that he seemed to be out of place at such a party. "Yes," replied the hostess, with a bright smile, "you see, he can't talk anything but sense."
