MEN'S DISEASES

There is seldom a day that we are not consulted in regard to a condition that, if we were to have seen it in its early stages, the sufferer would have been relieved, cured and saved considerable expense. This we consider is due to lack of knowledge on the part of the doctor who has previously treated the case; therefore, we say to you, if you are suffering from any disease or condition peculiar to men, or if you have been a victim and been disappointed in not getting a permanent cure elsewhere, we would ask that you come to our office for personal examination or write us for a Question Blank for Home Treatment. We will explain to you OUR SYSTEM OF TREATMENT, which we have originated and developed after our whole life's experience in the treatment of special diseases of men. We will give you, FREE OF CHARGE, an honest and scientific opinion of your case. If we find you are incurable we will honestly tell you so. If we find your case curable we will give you a written guarantee to cure you or refund your money.

—YOU CAN PAY WHEN CURED—

We cure NERVOUS DEBILITY, VARICOCELE, STRICTURES, BLOOD AND SKIN diseases, PROSTATIC troubles, BLADDER, KIDNEY AND URINARY diseases.

VARICOCELE

The majority of men have varicocele in the first, second or third stage. In the early stages it may cause many symptoms which the patient may not recognize as arising from this disease. In fact, we have found on examination, varicocele, present in hundreds of cases where the patient did not know he had it at all. In time it will produce such symptoms as the following: Nervousness, weakness in the back, untidy limbs, tired and exhausted feeling, pains in the joints, irritation of the bladder and kidneys, sediment and loss in urine, emissions at night with few dreams, sexual weakness and decline of manly power—these symptoms gradually develop into NERVOUS DEBILITY and IMPOTENCY. IT IS GUARANTEED TO CURE YOU WITHOUT OPERATION. Through its vitalizing influence the worn-out veins return to their normal caliber, the circulation of blood improves so the organs are properly nourished, and are restored to strength and vigor; the nerves become strong, ambition and energy replace lassitude and dependency, all drains cease, the eyes become bright, the brain active, and you feel as a man ought to feel in perfect sexual and mental condition.

We Guarantee to Cure or No Pay.

All cases we accept for treatment are taken under a positive guarantee that they are curable or no pay. We refer you to several banks as to our financial responsibility, so you may know we are good for any contract we make. **Reader:** Are you a victim? Have you lost hope? Are you contemplating marriage? Has your blood been diseased? Have you any weakness? Our New Method Treatment will cure you. ITEMS OF INTEREST ABOUT PLACES AND PEOPLE WE ALL KNOW

WASHBURN'S

There is an abundance of strawberries this year. Mr. S. Barnes has a number of pickers engaged who are kept very busy.

The many friends of Mr. and Mrs. E. J. Bishop were pleasantly surprised at receiving a call from them on Saturday last.

This season of dry weather has been a boon to the farmers, who had their crops destroyed by the very heavy rains that fell a few weeks ago. Several finished seeding the second time last week.

GREENBUSH

W. H. Tackberry has erected a new windmill in his yard.

Mr. and Mrs. Anglin of Brewer's Mills have returned home after visiting friends here.

Owing to the wet weather, most farmers are late getting in their corn and many have had to replant it.

Mrs. Olds of Morristown is the guest of Mrs. P. Blanchard.

Dr. Jackson of North Augusta was in Greenbush on business this week.

W. G. Olds has improved the appearance of his house by giving it a coat of paint.

We are glad to report that Miss Winifred Olds is getting better.

Our cheese factory is taxed to its utmost capacity some days to work up all the milk. The flow is so great that an advance in the price of cheese would go far in making the farmers feel pleasant.

CHARLESTON

TWO MERRY PICNICS

On Saturday the 18th Mr. and Mrs. D. Beach invited a number of their relatives to enjoy a picnic at Charleston Lake. The picnic was in honor of Mrs. Steacy and children of Central City, Neb., who has been visiting her relatives here since December and expects to depart for her home next week. Mrs. Steacy went to Nebraska when but eleven years old and has been there twenty-two years. None of her relatives had seen her since, excepting her brother, John Schofield, until her arrival with her four children in December. The party included Mr. and Mrs. J. Schofield and children, Mr. and Mrs. A. Hudson and children, Mr. and Mrs. W. Young and children, Mrs. Schofield, Mrs. Steacy and children, Mr. and Mrs. Beach, Master Charlie Yates and Miss Ruth Wiltse. On Saturday last the same party enjoyed an outing at Delta park, and the two picnics will be remembered by Mrs. Steacy when she is in her far away home in Nebraska.

No Difference

No distinction is made as to the kind of Piles that Hem-Roid cures. The names internal, External, Bleeding, Blind, Itching, Suppurating, etc., are simply names of the different stages through which every case will pass if it continues long enough.

Piles are caused by congestion or stagnation of blood in the lower bowel, and it takes an internal remedy to remove the cause.

Dr. Leonard's Hem-Roid is a tablet taken internally.

It is a permanent cure and no case of Piles has ever been found it failed to cure.

Money back if it does.

A guarantee with every package.

ADDISON

Our cheese factory has begun making butter on Saturday nights. The telephone line is making excellent progress.

Mrs. Frank Scott has moved to Montreal. She will be missed by many.

Mr. Peter Mullin, son of Mr. and Mrs. David Mullin, is visiting his old home, after residing for some eighteen years or more in California.

Mr. Boyd Hall and Mr. R. Kelly have had their houses shingled.

Rev. W. E. Reynolds preached, it seemed, a farewell sermon to us on Sunday. We are sorry to learn of his removal, as it will, no doubt, necessitate a prolonged period before we are privileged to listen to him again.

The hospitality of our village has reached such a height, that people leave the houses open.

That those who are hungry and dry, may walk right in and help themselves.

To an ample, nutritious supply.

William Snider of Boston is visiting his many friends here, the guest of his mother Mrs. S. A. Snider.

GLEN BUELL

An interesting event occurred in Glen Buell church on Sunday last. It was understood by many that the Rev. T. Burke would give his farewell address. The members of the Sabbath School embraced the opportunity of presenting the reverend brother with an address and two bunches of beautiful flowers, gathered by the S. S. students, after which the school, the people and the reverend brother shook hands and said good-bye. Following is the address:—

Rev. Bro. Burke.—Your friends and associate members of Glen Buell church and Sabbath school, having learned with regret of your intention to sever your happy relations with us, feel we cannot allow the opportunity to pass without showing in some small measure our appreciation of the friendship which has characterized you in the past.

The announcement of your intention to leave this field of labor came as a surprise, and we confidently hope you will be successful in your new sphere and do credit to yourself and the church. You may rest assured the ever watchful eyes of your friends will be upon you, and we sincerely hope that the ties of friendship which have bound us together in the past will remain unbroken till the end. In conclusion, we ask you to accept these beautiful bunches of flowers as a token of the esteem in which you are held by your friends and associates. It is our wish that you may live many years in active service for God and the church.

Signed on behalf of the children, C. J. GILROY, Supt. The reverend brother was taken by surprise. He made reply and paid a high tribute to the students of the school and the teachers in charge. Miss Gertrude Forth read and presented the address, and the little Gilroy girls presented the flowers.

MOORE FAMILY REUNION

On Wednesday at New Dublin there was a large and enthusiastic reunion of the members of the families of Moores who at some period of their lives made their homes in the township of Elizabethtown. The gathering was the tenth annual reunion of the Moore family and was attended by Frederick Moore of Toronto, F. L. Moore, Ezra Moore, James Moore, Norman Moore and John Moore of Elizabethtown and by some 70 more members of the Moore families now residents in various parts of Canada and the United States besides by a large number of friends of the Moore families.

For ten years, since this gathering was inaugurated the main feature of it has been the devotion of the male members to an annual cleaning up and decoration of the Methodist cemetery at New Dublin.

On Wednesday this work was done thoroughly and at the end of the day

the quiet resting place of many of their dead relatives and friends bore evidence of the loving care and attention that had been bestowed upon it by the members of the Moore families and their friends. At the conclusion of their labor of love the men adjourned to New Dublin Town Hall where the ladies had prepared and had waiting for the workers a substantial and appetizing dinner which was disposed of with relish and enjoyment by all.

After justice had been done to the feast of edibles, short addresses commemorative of the occasion were made by Frederick Moore, Toronto, F. L. Moore, Ezra Moore, Elizabethtown, Rev. James Evans, of Athens, Tenn., formerly a resident of Leeds County, J. B. Barry, Elizabethtown and T. J. Storey of Brookville, who accompanied his uncle, Rev. James Evans, to this interesting and highly enjoyable reunion.

Everybody present felt that a profitable and pleasant gathering was held—Times.

FOR ENERGY AND STRENGTH—ANTI-PILL

Prevalent conditions that go to make people look old and fasten age marks before their time are described in the following letter from a woman who received immediate relief from a sample of ANTI-PILL. "I would wake in the morning feeling tired. My feet and ankles would swell. I had a horrible dragged sensation. My head ached as though it would burst. My bowels were never regular. I had a disagreeable feeling of overfulness after eating. Food would not digest, and caused great distress. I was nervous. I was treated for dyspepsia and constipation with little or no relief. A sample of Dr. Leonard's ANTI-PILL did me so much good I followed up its use, and two boxes has entirely cured me." ANTI-PILL is sold by druggists, 50 cents, or mailed by addressing WILSON-PRYOR Co., Niagara Falls, Ont., Free sample mailed to any address.
