Indigestion

Stomach trouble is but a symptom of, and not in itself a true disease. We think of dyspepsia, flatulency, and indigestion as real diseases, but they are symptoms only of a certain special Nerve sickness—nothing else.

It was this fact that first correctly led Dr. Shoop to the creation of that now very popular Stomach Restorative. Dr. Shoop's Restorative, going directly to the stomach nerves, alone brought that success and favor to Dr. Shoop and his Restorative. Without that original and highly vital principle, no such lasting accomplishments were ever to be had. For stomach distress, bloating, biliousness, head and neuralgic complications, try Dr. Shoop's Restorative—Tablets or Liquid—and see for yourself what it can and will do. We sell and cheerfully recommend.

When the Stomach, Heart or Kidney nerves get weak, then those organs always fail. Don't drug the Stomach nor stimulate the Heart or kidneys. That is simply a makeshift. Get a prescription known to Druggists everywhere as Dr. Shoop's Restorative. The Restorative is prepared expressly for these weak inside nerves. Strengthen these nerves, build them up with Dr. Shoop's Restorative—tablets or liquid—and see how quickly help will come. Free samples sent on request by Dr. Shoop, Racine, Wis. Your health is surely worth this simple test. Sold by all dealers.

Smallpox at Caintown

Recorder: "Mrs Sherman Dowsley, wife of a well known resident of Caintown, who had been ill for the past three or four days, was yesterday diagnosed a victim of smallpox, and the house was immediately placed under quarantine. Mrs Dowsley believes she contracted the disease while on a recent visit to Athens. The homes of John Dickey, Wm. Graham and R. R. Phillips have also been quarantined, as occupants of each had been visitors at the Dowsley home since Mrs Dowsley took ill."

As there is no case of smallpox in Athens, and has not been for months, the above report casts an unwarranted reflection on this village.

Mr and Mrs George Earle and Mr and Mrs Lonozo Earle spent Christmas at their home with their father Mr James Brown.

Don't

Don't think because you have taken many remedies in vain that your case is incurable. You have not taken Hood's Sarsaparilla.

It has cured many seemingly hopeless cases of scrofula, catarrh, rheumatism, kidney complaint, dyspepsia and general debility—many cases that may have been worse than yours. What this great medicine has done for others it can do for you.

W. C. T. U. NOTES

FACTS FROM OWEN SOUND

The letter of the Mayor of Owen Sound published in the Toronto News recently has raised a storm, of indignation, and the following paragraphs are from a circular sent out as an answer to his statements:—

UNDER LOCAL OPTION

Excise on liquors entered for consumption has decreased 45 per cent. Eaton's brewery has been out of business, so far as the making of beer is concerned, since the advent of Local Option.

Four former license holders have left town—evidently satisfied that Owen Sound is not a promising field for them.

Hotel accommodation is good. Meals are excellent.

Pauperism is on the decrease. In 1905, for 11 months under license, the town spent \$789.21 to help the poor. For 11 months under Local Option the amount spent in 1907 was \$431.20 or a decrease of \$358.01.

Increase in the postal revenue at the Owen Sound office is 10 per cent.

The premises of the former liquor stores are vacated and other-wise employed.

No church organization is reported as languishing because of the removal of the licensed bar.

"Local trade continues to have a very satisfactory ring about it,"—Owen Sound Times, Nov. 21, 1907.

"Only this week three prominent merchants, in general conversation, stated that their business had largely increased."—Owen Sound Sun, Dec. 17, 1907.

The president of the Owen Sound Board of Trade, in his annual address said: "Our general business has been satisfactory; our factories have run full time during the season; our trade has improved immensely in the West. Our local exports have exceeded all former years."

Commenting on the Mayor's letter, the Owen Sound Sun of Dec. 12, 1907, says: "We do not know what was wrong with the Mayor when he wrote the stuff; how any man could spin off such a yarn—and expect it to be believed—passes comprehension."

This **APPEAL** Youis for.....

The Great Provincial Charity, The Hospital for Sick Children, Calls On You For Aid.

Remember that this Hospital is not a local institution, but Provincial.

It cares for every sick child in the Province of Ontario whose parents cannot afford to pay for treatment. Every dollar is better than idle tears. The sympathy that Weeps is good, but the Hospital has to have the sympathy that Works.

Last year there were 1903 patients admitted. Of these 378 came from 354 places outside of Toronto—all were children of poor people who could not afford to pay for treatment of their little ones.

Each child was in the Hospital 474 days at a cost of \$1.31 each per day, or \$62.22 for the 474 days stay.

If your dollar could straighten the feet of a little boy or girl with club feet, you would gladly give it, and your dollar will do that. There were 79 cases of club feet treated.

BEFORE. AFTER.

Last year. Out of the 79, about 50 were from the country.

If you know of any child in your county who is sick or has club feet, and cannot afford to pay for treatment, please send the name of the child to the Hospital Secretary.

The stock books are open. Won't you let the Hospital write your name down for a few hours in Heaven's own work of healing little children?

A great mine of Mercy to the mining stock that always pays dividends—bought with the money we help The Hospital for Sick Children to extract the Gold of Life from the Quartz of Death.

Please send contributions to J. Ross Robertson, Chairman, or to Douglas Davidson, Sec.-Treas., of the Hospital for Sick Children, College Street, Toronto.
