THE LADIES' AID

The old church bell had long been
cracked;
Its call was but a groan;
It seemed to sound a funeral knell
With every broken tone.
The preacher's stipend was behind;
"But taxes must be paid
We have no money we can spare—
Just ask the Ladies' Aid."

The shingles on the roof were old;
The rain came down in rills;
The brethren slowly shook their
heads
And spoke of "monthly bills"
The chairman of the Board arose,
And said, "I am afraid
That we shall have to lay the case
Before the Ladies' Aid."

The carpet had been patched and
patched
Till quite beyond repair,
And through the aisles and on the
steps
The boards showed hard and bare.
"It is too bad" the brethren said;
An effort must be made
To raise an interest on the part
Of the members of the Aid."

The preacher's stipend was behind;
The poor man blushed to meet
The grocer and the butcher as
They passed him on the street;
But nobly spoke the brethren then,
Pastor, you shall be paid!
We'll call upon the treasurer
Of the good Ladies' Aid."

"Ah!" said the men, "the way to
Heaven
Is long and hard to keep.
We cannot climb the heights alone;
Our hearts are sore dismayed;
We never shall get to heaven at all
Without the Ladies' Aid."

Camp Meeting

The annual camp meeting of the
Athens district will (D.V.) be held on
the old camp ground at Lake Elounda,
three miles north of Athens, commencing
August 27th and continuing eight
days.

The preachers of the district—Rev's
E. J. Bishop of Smith's Falls, W. W.
Lake of Seeley's Bay, R. Collins of
Newboro, C. F. Bowen of Brockville,
J. A. Stark of Warburton, P. Geiter
of Bishop's Mills, J. Gilchrist of Gan-
anoque, W. Howice of North Augusta,
J. Price of Athens—will be present.
A number of lady evangelists and
other preachers also are expected.

Repentance, Regeneration, Entire
Sanctification and the Baptism of the
Holy Spirit will be preached.

Rev Patrick Morgan, the converted
priest, will attend this camp-meeting.
"Come, Sinners, to the gospel feast,
Let every soul be Jesus' guest;
Ye need not one be left behind,
For God hath bidden all mankind."

Problem for Fishermen

If a ten-pound fish is put into a tub
of water, does that add ten pounds to
the vessel and its contents? asks a
Market street insurance man.

The man with the stick declared on
the spot that it did. The inland re-
venue official scratched his head, and
told the little group to go slow. Here
is what he said:—

"Your first inclination is to answer
yes, but that is the correct answer
only when the fish touches the side of
the tub. When the fish floats clear of
the sides the vessel with its contents
weighs just what it did before the fish
was put in."

This question has caused a good
deal of betting among fishermen. Just
prove this for yourself.

READING FOR RESTING TIME

A glance over the "Table of Con-
tents" of August Canadian Home
Journal assures one of many hours of
most interesting reading. Under the
heading "Fiction" are some excellent
short stories. "At the Gate of
Silence" is full of the atmosphere of
the East with its unflattering
psychological mysteries. "A visit
to the Beaver Dam" not only contains
excellent nature sketches, but an un-
usually clever study of human nature.
"May Apples" is a bright sketch, and
"Charlie Chipmunk's Career" an
animal story especially attractive to
children. The Serials "A Honeymoon
in Hiding" and "The House of Win-
dows" grow more interesting every
month. "A Woman Rancher in Al-
berta" by Gertrude E. Seton Thompson
is the history of one woman's success
and a sketch of farm life in the West.
"The Slim Disease and its Cure" is a
subject that may not vitally effect any
but large city residents, but is worth
reading as a study of city life which
will interest every one.

In the special woman's Departments
the Journal is especially strong for a
summer number. There's an excel-
lent assortment of summer gowns,
house dresses, underwear, children's
clothes. For the housekeeper, there
are excellent recipes; menus for
special luncheons; most attractively
illustrated; canning, spicing, preserv-
ing; and many suggestions on all de-
partments of housekeeping. A regu-
lar Journal feature that is full of
value is the article on "Home Decora-
tion." The woman who desires to
make her home more attractive with
better selection of furnishings, better
taste in selection and arrangement of
pictures and flowers, will appreciate
this article each month.

The children are not forgotten and
have their page; "Around the Heart"
is an intimate talk on all home affairs
by a very interesting woman; there
are many fine papers from the
Women's Institute proceedings.

"The Dressing Table" is a page of
help for the care of face and body in
wholesome ways. It is not just the
vain woman but the sensible woman,
who should preserve her attractiveness.
There is much miscellaneous matter
that is interesting.

The Journal is so bright and at-
tractive looking with its color cover,
its many illustrations and its artistic
borders and heading that it is a most
cheery visitor.

B.W. & N.W. Improvement

With the passing of the B. W. &
N. W. R. into the control of the Cana-
dian Northern Railway Company, the stan-
dardization of the line is about to be
undertaken. By this is meant that roll-
ing stock, roadbed and equipment gen-
erally is to be brought on a par with
other standard lines. Thus there will
be a considerable outlay installing
switch lamps, semaphores, etc. One
of the biggest undertakings, it is said
will be the filling in of the two trestles
near the Junction of the Grand Trunk
Railway. A general inspection of the
line has been made by an official in
company with Supt. Curle with a view
to undertaking the above mentioned
work at an early date.—Times.

Cause and Cure of Headache

The cause of headache as you know,
is the stoppage of the circulation result-
ing in pressure on the delicate nerves of
the head. In time nature will start the
blood going again, but meanwhile we suf-
fer and are unfit for duty.

Assisted by two ZUTOO Tablets,
which by the way are as harmless as the
soda they contain, nature will remove
the "pressure" and stop the headache in
twenty minutes. Why continue to suffer?
Why be unfit?

It is really remarkable how many
people now use ZUTOO to cure their
headaches. Do you? If not, why not?

\$3,600
in Cash Prizes for Farmers
**Your Photograph May
Win a Prize**

AMONG the prizes we are offering in our
Prize Contest is one of \$100.00 (Prize "C")
for the farmer in each Province who fur-
nishes us with a photograph showing the best of
any particular kind of work done on his farm
during 1911 with "CANADA" Cement. For this
prize, work of every description is included.

Now just as soon as you finish that new silo,
barn, feeding floor or dairy, that you've been
thinking of building, why not photograph it and
send the picture to us? The photograph doesn't
necessarily have to be taken by a professional
or an expert. In fact, your son's or your daugh-
ter's camera will do nicely. Or, failing this, you
might use the kodak of your neighbor's son near-
by. In any event, don't let the idea of
having a photograph made deter you
from entering the competition. Particu-
larly as we have requested
your local dealer to help in
cases where it is not conveni-
ent for the farmer to pro-
cure a camera in the

neighborhood. By this means
you are placed on an equal foot-
ing with every other contestant.
Get the circular, which gives you
full particulars of the conditions and of
the other three prizes. Every dealer who sells
"CANADA" Cement will have on hand a supply
of these circulars—and he'll give you one if you
just ask for it. Or if you prefer, you can use the
attached coupon—or a postcard will do—send it
to us and you'll receive the complete details of
the contest by return mail.

If you haven't received your copy of "What
the Farmer Can Do With Concrete," write for
that, too. It's a finely illustrated book of
160 pages full of useful and practical in-
formation of the uses of concrete.

Write us to-night, and you'll receive
the book and the circular promptly.
Do not delay—sit right down—
take your pen or pencil, and fill
out the coupon NOW.

MEN BADLY NEEDED

A conference was held in Winnipeg
lately between Deputy Ministers of
Agriculture for provinces of Manitoba
and Saskatchewan and the Dominion
Government Commissioner of Immi-
gration, dealing with the question of
harvest laborers needed this year, and
most conservative estimates places the
number at from 40,000 to 45,000.
Government reports show that winter
wheat in Alberta and earlier district
in South Saskatchewan and Manitoba
will commence cutting before August
10th and harvesting will be in full
swing by August 15th and 20th. The
railway companies are taking action to
co-operate with a view to obtaining
the necessary labor, and in this con-
nection the General Agent of the
Grand Trunk Pacific advises that that
Company can take care of 4,000 or
5,000 along their line by August 8th
and 9th, and commencing August
15th as fast as they can be obtained.
