The Problem Solved.

Dismond Dyes have saved hundreds of country, for by their aid old and faded clothes have been home taking vigorous steps to secure the punishment of all who sell such confectionery without having a license to sell liquor.

The young empress of Russia, according to the Congregationalist, is showing a real interest in the line of temperance reform. Recently she has had interviews with several provincial governors regarding the best means of checking the fearful increase of intemperance among the peasantry. It is understood that she intends to found a woman's temperance sesociation.

### The Problem Solved.

The Dean of the Boston University, Law School has posted the following notice in the law school buildings:

"Students who are unwilling to give up the use of tobacco while in this building may withdraw, and the proper proportion of their tuition fees will-be returned upon demand."

The anti-opium societies of England unite in demanding the aboli on of the export of opium to China and other econtries except for medicinal use; the suppression of opiums manking in British India, and A Poison Act for India-(opium to be sold in bottles labeled poison).

Gaylord, Smith c unty, Kan., is officered entirely by women—mayor, police judge, members of the council. This is many. She performed her duties so well her first term that a complete woman's council was elected this year.

After May 1st, the new law appressing the sale of liquor to miners or students will go into effect in Virginias. The term students comprises those at any justifuling no fee and in the state including public schools, whether over twenty-way. The state including public schools, whether over twenty-way or male that the complete woman's council was elected this year.

After May 1st, the new law appressing the sale of liquor to miners or students will go into effect in Virginias. The term students comprises those at any justifuling on the case in a constant of the council of t Peculiarities of Lightning.

The good influence of the Czarina has given dress reform a remarkab'e impetus in Russia. She has become one of the patrons of the newly organized "Society for National Costume," taking with her the leading social lights of Moscow and St. Petersburg.

During the past year there has been less strong drink consumed in Canada per head of the population than in any year of our history. It is not for nought that temperance reformers are at work. But yet there is much to do.

A call has been issued for a "Ratification Meeting and Prohibition Conforence"

Warkmans—Mr. Rights. Labould like.

But yet there is much to do.

A call has been issued for a "Ratification Meeting and Prohibition Conference" to be held at Prohibition Park, Staten Island, N. Y., July 3d to 12th, inclusive.

One saloon in a town is all the devil nake for begin with. Give him that and he work worry about not being able to destroy boys enough.

Every true Prohibitionist should be able to say with Charles Sunner "where principle is, there is my party,"

The hill providing for the manufacture of Intexticating liquor in lows has been defeated.

Workman—Mr Briggs, I should like to war and in the in my salary. In the just per maneried.

Employer—Very sorry, my good man, but can't help you. For accidents which happen to our workmen outside the lactory the company is not responsible.

Minister—Never learn to sweat, John but guilty or not guilty or not work works and the prisoner at the bar guilty or not use harch language, is to stop and count twenty, and by that time—Johny (interapting)—Yes, and by that time the other fellow will have you liked.

It is a common saying that lovely woman cannot keep a secret, but who besides herself knows where her pocket is?

teach me to save money:

Miss Hope—Oh, Mr Smithers, this is so sudden.

hey not beautiful? Do you know they emind me of you? She (softly)—But they are artificial. He—Ah, yes; but you'd never know it.

The signs of spring are everywhere a The pensive goat now chews the old tin

And we encounter in their passing flight The poet and the hokey-pokey man. A dying Irishman was asked by his confessor if he was prepared to renounce the devil and all his works.

Oh, your honor, said Pet, dont' ask me that, I'm going into a strange country, and I don't want to make myself enemies.

Hicks—Everybody's buying bicycles naw. I suppose yon would be buying one too, if you could raise the wind? Wicks—I think I could raise the wind all right, but it is the tires that go around the wind, together with the other parts of the machine, that trouble gue.

Dandruff is an exudation from the pores of the skin that spreads and dries forming sourf and causing the hair to fell out. Hall's Hair Renewer cures it.
