GLANFORD FALL FAIR.

A Very Fine Exhibition Over the Mountain. Large Attendance and Exhibits of

High Quality. The Show Considered the Best in Society's History.

The annual Glanford Fair, held yes terday at Mount Hope, was voted the best yet held in the history of the organization. The ideal weather, to gether with the painstaking efforts the part of the directors, made the fair a great success, and with few exceptions the entries in all departments exceeded those of previous years. A noticeable feature of the exhibition building was the excellent manner in which the displayed articles were arranged, and whoever had charge of that important part

deserve much credit. The entries in the horse and cattle classes were the largest known since the inception of the fair, and the judging, ough difficult, was done in a manne satisfactory to all concerned. The judges of the horses were J. P. Yeo, Thomas Small, Robert Horning and James Gordon. In Holsteins there was a fine lot of cattle shown by H. Jerome, who also exhibited some good road horses.

The vegetables were of the linest type grown in Ontario, and there was a great display of every variety imaginable. The silver cup, donated by W. O. Sealey, M. P., was won by T. Birch, whose exhibit of farm products might well have received frist prize at one of the big fairs, like Toronto or London.

The fruit exhibit this year was larger and better than ever, and here again it taxed the judges to the utmost to know to whom to award the prizes. Some extra fine Northern Spy apples, displayed by T. Birch, attracted much attention. A. Smith also had a good exhibit of Ribstone Pippins.

The display of poultry, although not as large as in previous years, was a fine showing and won the admiration of all who saw them. Ducks and game birds were well exhibited, and a fine display of the many varieties was

In the display of ladies' work were many hand-made articles, whose rich embroideries told of the many hours spent patiently by the workers. The trials of speed, which were held in the afternoon, were keenly contested and attracted a large erowd, which thoroughly enjoyed them. There were originally three classes, but owing to insufficient entries the second one was cancelled. In the first class there were only two entries, which resulted in S. I. Hannon winning and E. The directors of the fair are to be congratulated upon securing the services of Ass Choate as secretary, as a more energetic and faithful person could not be procured, and without his untiring efforts the fair would not have been the great success that it was. His system of keeping track of the numerous entries and exhibits is one of the best in connection with fall fairs, and too much credit cannot be given to him for devising a section with fall fairs, and too much credit cannot be given to him for devising a section with fall fairs, and too much credit cannot be given to him for devising a section with fall fairs, and too much credit cannot be given to him for devising a section with fall fairs, and too much credit cannot be given to him for devising a section. LICENSES CANCELLED.

Three Windsor Hotelkeepers Forced Out of Business.

Each offender had received am-ple warning of what might be expected after the last offence, so that the action of the license commissioners was not a surprise.
