Mr. Mowatt has heard the call, and takes time to consider.

Some people with good memories have called our attention to the fact that when the Burlington Hawkeye man was here he took great. pains to impress upon the people of Fredericton the worth and talent of Mr. Wortman who takescharge of the York Street School and who was then teaching at Burlington. There may be some connexion between the fact of his appointment and Mr. Burdette's eulogy, but it seems rather obscure.

REGULATIONS Respecting the disposal of certain Pub lic Lands for the purposes of the Canadian Pacific Railway.

DEPARTMENT OF THE INTERIOR, Ottawa, October 14, 1878. Ottawa, October 14, 1878.

Public notice is hereby given that the following provisions, which shall be held to apply to the lands in the Province of Manitoba, and in the: Territories to the west and north-west thereof, are substituted for the Regulations, dated the 9th July last, governing the mode of disposing of the Public Lands situate within 110 (one hundred and ten) miles on each side of the line of the Canadian Pacific Railway, which said Regulations are hereby superseded:—

1. "Until further and final survey of the said Railway has been made west of the Red River, and for the purposes of these provisions, the line of the said Railway shall be assumed to be on the fourth base westerly to the intersection of the said base by the line between ranges 21 and 22 west of the first principal meridian, and thence in a direct line to the confluence of the Shell River with the River Assiniboine.

2. "The country lying on each side of the line of railway shall be respectively divided into belts, as follows:—

"(1) A belt of five reiles of a sither side of the railway "(1) A belt of five reiles of a sither side of the railway "(1) A belt of five reiles of a sither side of the railway "(1) A belt of five reiles of a sither side of the railway "(1) A belt of five reiles of a sither side of the railway "(1) A belt of five reiles of a sither side of the railway "(1) A belt of five reiles of a sither side of the railway "(1) A belt of five reiles of a sither side of the railway "(1) A belt of five reiles of a sither side of the railway "(1) A belt of five reiles of a sither side of the railway "(1) A belt of five reiles of a sither side of the railway "(1) A belt of five reiles of a sither side of the railway "(1) A belt of five reiles of a sither side of the railway "(1) A belt of five reiles of a sither side of the railway "(2) A belt of five reiles of a sither side of the railway "(2) A belt of the railway "(2) A belt of the railway "(2) A belt of the railway "(3) A belt of the railway "(3) A belt of the railway "(3) A compels the druggist to charge from 25 to 50 per cent. more for prescriptions

open for entry as homesteads and pre emptions of 160 acres each respectively.

"The odd-numbered sections in each of such townships shall not be open to homestead or pre-emption, but shall be specially reserved and designated as Roilway Lands.

5. The Railway Lands within the several belts shall be sold at the following rates, viz:—In Belt A, \$5 (five dollars) per acre; in Belt B, \$4 (four dollars) per acre; in Belt D, \$2 (two dollars) per acre; in Belt E, \$1 (not dollars) per acre; and the terms of sale of such lands shall be as follows, viz:—One-tenth in cash at the time of purchase; the balance in nine equal annual instalments, with interest at the rate of six per cent, per annum on the balance of purchase money from time to time remaining unpaid, to be paid with each instalment.

a continuance of the same in the future. BOARDERS, PERMANENT AND TRAN-SIENT, may be accommodated at season-

stainents, with interest at the rate of six per cent. per annum on the balance. of psuchase money from time to time remaining unpaid, to be paid with each instalment.

"The Pre-emption Lands within the several belts shall be sold for the prices and on the terms respectively as follows:—In the belts A, B, and C, at \$2.50 (two dollars) per acre; and in Belt E, at \$1 (one dollar) per acre. The terms of payment to be four-tenths of the purchase money, together with interest on the latter at the rate of 6 per cent. per annum, to be paid at the end of three years from date of entry; the remainder to be paid in six equal instalments annually from and after the said date, with Interest at the rate above mentioned on such portions of the purchase money as may remain unpaid, to be paid with each instalment.

"All payments for Railway Lands, and also for Pre-emption Lands, within the several Belts, shall be in cash, and not in scrip or military or police bounty warrants.

"All money received in payment of Pre-emption Lands shall inure to and form part of the fund for railway purposes, in a similar manner to the moneys received in payment of railway lands.

"These provisions shall be retro-active so far as relates to any and all entries of Homestead and Pre-emption Lands, or sales of Railway Lands, obtained or made under the Regulations of the 9th of July, hereby superseded: any payments made in excess of the rate hereby fixed shall be credited on account of sales of such lands.

"The Order-in-Council of the 9th November, 1877, relating to the settlement of the lands in Manitoba which had been previously withdrawn for Railway purposes, having been cancelled, all claims of persons who settled in good faith on lands under the said Order-in-Council, shalt be dealt with under these provisions, as to price of Pre-emptions, according to the Belt in which such lands may be situate. Where a person may have taken up two quarter-sections under the said Order-in-Council, will be credited to him on account of the land previously enter

emption.

11. "All entries of lands shall be subject to the following provisions respecting the right of way of the Canadian Pacific Railway, or of any Government Colonization Railway connected therewith, viz:

a. "In the case of the Railway crossing lands entered as a Homestead, the right of way thereon, and also any land which may be required for station purposes, shall be free to the Government.

be free to the Government.

b. "Where the Railway crosses Pre-emptions or Railway Lands, entered subsequent to the date hereof, the Government may take possession of such portion thereof as may be required for right of way or for station grounds or ballast pits, and the owner shall only be entitled to claim payment for the land so taken, at the same rate per acre as he may have paid the Government for the same. ame.
6. "In case, on the final location of the railway thro

c. "In case, on the final location of the railway through lands unsurveyed, or surveyed but not eitered for at the time, a person is found in occupation of land which it may be desirable in the public interest to retain, the Government reserves the right to take possession of such land, paying the squatter the value of any improvements he may have made thereon.

12. "Claims to Public Lands arising from settlement after the date hereof, in territory unsurveyed at the time of such settlement, and which may betembraced within the limits affected by the above policy, or by the extension thereof in the future over additional territory, will be ultimately dealt with in accordance with the terms prescribed above for the lands in the particular Belt in which such settlement may be found to be situate, subject to the operation of sub-section c of section 11 of these provisions.

to the operation of sub-section c of section 11 of these provisions.

13. "All entries after the date hereof of unoccupied land in the Saskatchewan Agency, will be considered as provisional until the railway line through that part of the territories has been located, after which the same will be finally disposed of in accordance with these provisions, as the same may apply to the particular Belt in which such land may be found to be situate, subject, as above, to the operation of sub-section c of section 11 of these provisions.

14. "With a view to encouraging settlement by cheapening the cost of building material, the Government reserves the right of granting licences, renewable yearly, under section 52 of the Dominion Lands Act, 1879, to cut merchantable imber on any lands situate within the several Belts above described, and any settlement upon, or sale of lands within, the territory covered by such licences, shall for the time being be subject to the operation of such licences.

15. "The above provisions, it will of course be understood, will not affect sections 11 and 29, which are public school lands, or sections 8 and 26, Hudson's Bay Company's lands.

"Any further information necessary may be obtained on application at the Dominion Lands Office, Ottawa, or from the office of Dominion Lands, Winnipeg, or from any of the local agents in Manitoba or the Territories. By order of the Minister of the Interior,
