WEDDINGS

BALDWIN—HILL

An interesting event took place at the home of the bride's mother, Mrs. M. Hill, Newcastle, at three o'clock Monday afternoon, Sept. 7th, when Miss Maud Hill was united in marriage to Roy D. Baldwin, son of Mr. and Mrs. W. J. Baldwin of Douglasfield, the ceremony being performed by Rev. L. H. MacLean in the presence of a number of the relatives and immediate friends of the young couple.

The bride wore a most becoming navy blue ensemble suit with hat to match, squirrel choker, and carried a shower bouquet of sweet peas and maiden hair fern. They were unattended.

Following a dainty buffet luncheon the happy couple left by motor on a wedding trip which includes numerous points in New Brunswick and Maine, accompanied by the best wishes of a host of friends for happiness in their new life. On their return they will reside at Douglasfield.

Mr. and Mrs. Baldwin, who are deservedly popular, were the recipients of a large number of beautiful and useful wedding gifts, including silver cut glass, china, linen etc. The bride has been a popular member of the teaching staff at Harkin's Academy, Newcastle, and the groom is one of Douglasfield's promising young residents.

ATKINSON—ALLISON

The home of Mr. and Mrs. John R. Allison was the scene of a very pretty wedding at 2.30 o'clock Wednesday afternoon, when their daughter, Mary Ethelwyn Allison and Eldon E. Atkinson, son of Mr. and Mrs. H. T. Atkinson of Chatham Head were united in marriage by the Rev. A. W. Brown.

The bride, who was unattended was given in marriage by her father and looked charming in a navy point twill suit, with black velvet hat faced with henna and taupe fox fur, the gift of the groom, and carried a bridal bouquet of Ohpelia roses and sweet peas. The house was very prettily decorated for the occasion by girl friends of the bride with cut flowers the color scheme being green and yellow. The ceremony was performed under an arch of flowers from which was suspended a wedding bell. Mrs. Arthur Clarke presided at the piano, playing Lohengrin's wedding march.

Following the ceremony a reception was held at which a dainty buffet luncheon was served, only relatives and immediate friends being present.

The very large number of wedding gifts received testified to the popularity of both bride and groom. The bride will be greatly missed in Newcastle and especially in the Methodist Church, as she was a member of the choir, and an energetic church worker. The happy couple left on the north-bound Ocean Limited on a honeymoon trip, following which they will reside in Campbellton, where the groom is employed with the Fraser Companies Limited.

A large number of friends were at the depot to see the happy couple off and they were showered with confetti and good wishes on their departure from Newcastle.

A Grateful Letter

From a Lady Made Well by Dr. Williams' Pink Pills

"I wish from my heart I could persuade every person who is run down in health to give Dr. Williams' Pink Pills a trial." Thus writes Mrs. Louie Mitchell, Oak Point, Man. who further says:—"About a year ago I was a weak woman, suffering from a run down system and impoverished blood. Any little exertion would cause my legs to tremble and my heart to throb violently. I could not sweep a room or walk fifty feet without being exhausted. Then I began taking Dr. Williams' Pink Pills and after taking only six boxes I am as well and strong as ever. I can walk and run without stopping every few seconds gasping for breath as previously. Dr. Williams' Pink Pills will be my stand-by in the future if ever my blood needs building up again, and I shall always find pleasure in recommending them to anyone needing a tonic."

There are many troubles due to weak, watery blood which can easily overcome by a fair use of Dr. Williams' Pink Pills. The sole mission of this medicine is to enrich and purify the blood and when that is done all the varied symptoms of anaemia disappear and good health returns.

You can get these pills from any medicine dealer, or by mail at 50 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

NEW ROAD MAP OF NEW BRUNSWICK

"I was most delighted with the condition of the roads down in New Brunswick." This was the way an enthusiastic Ontario motorist expressed his appreciation of the touring conditions in the province by the sea. New Brunswick has good roads—they are the result of long time construction and of efficient upkeep. They are practically all hard gravel roads, of which material New Brunswick has an ample supply; the result is that even after a wet period the drainage soon dries up the surface.

The fact that these good motor roads are available has very materially increased their use. Touring parties from other portions of Canada and the neighboring states are visiting the province in increasing numbers, to the benefit of both residents and visitors.

The Natural Resources Intelligence Service of the Department of the Interior at Ottawa, recognizing this intensity of motoring in the province has just issued a most useful map, known as the "New Brunswick Map of Roads and Recreational Map." The map shows at a glance the motor roads of the province, segregation in colors the trunk roads; secondary roads and other roads. Tourist camps, sites are marked, as are also towns with hotel accommodation. An interesting feature of the map is the indication of the accessible points to hunting and fishing resorts while the areas where game and fish are to be found are shown in color. The map is on an easy scale and will fill a pressing need among those residents in the province and others who have in mind a visit thereto. Copies of the map may be obtained from the Director, Natural Resources Intelligence Service of the Department of the Interior at Ottawa.
