WILL YOU ? A SKETCH FOR YOUNG MEN AND MAIDENS.

BY NELSIE BROOK.

by J. MACLACHLAN.
Ah little one,
So fair, so such, so innocently gay,
Bo verify a south me in thy fond carees:
More cannot tell how dear thou art to me.
How my heart yearns and clings to theo.
I love thee, as
The math bird loves the enlivening beam,
The topens wide for him with wakening glasm.
The immessorable prospect of the dawn, Rest origing joya by wight withdrawn.
For round thee still,
The bright auroral flush of childhood glows;
And o'st thy spirit, folded like a rose transmitter or state. The grave only seen to react the transmitter of more, and solar states the states of more, and solar states the states on well do a constituent state.
The bright auroral flush of childhood glows;
And o'st thy spirit, folded like a rose transmitter of more, and solar states the states of more states. Adding metal was been stated and states of a state state and states the states of more, and solar states the states of more states. Adding the states of the states of more states. Adding the states of the states of a state state state states and the states of a state state. States the states of more states adding states. The states of the stat said the widow, in low, or tones, "Come nearer, Man

"Marine and the second bound of the Washe and that without discontroling the widowed muchan's exceedenting the widowed "mother's exceedent injunce the young hubberd and with had astim-destrolls asswered that most important, injunct as- "Will you ?- British Parks and and and astimech von to make no compromise." Walter re-entered the room in high

whiter present the transmission made the time pass most agreed by. The lit-tic party lingered round the tas-table for quite an hour; obly in a for how time are been by the tas-table for guite an hour; obly in a for how time was speeding on. Then the warm fush of the sunset each paled, and the stars began to show themselves in the clear ky. Walter rose from his chair and auntared to the window, saying " There will be a mogniticent moon-

this evening. Allo us to prova you tailes to come for a strolkday and to watch for far Oynthia's ap Baring." "i must beg to be excused," said Mrs. ard, "You know, Walter, that I never m ont after sunset. But there is noth-ing to prevent Margaret going, is there,

dear (" appealing to the latter. "Nothing, cxcept my wish to get home
