GREAT CLEARING SALE.

Extension of Premises.

BUSINESS INCREASING.

In consequence of a large increase of business, the Dress Goods and Tailoring Department, and with a view of extending our premises, we have decided upon going out of all Groceries and Boots and Shoes. We will therefore offer to our customers and the public generally the above goods at

COST FOR CASH,

commencing

On Wednesday, 2nd Jan. 1875.

This is no ordinary sale, but a bona fide one, as we intend to make this a great sale still more interesting than any we have had. In addition to the above, we will offer special inducements in Dress Goods, Shawls, Flannels, Furs, &c.

CROFTS & JOHNSTON.

Miss J. Stewart, Agent for Cornwell's Self-Fitting Chart & Patterns.

The superiority of our Patterns is manifested in all parts. Now to satisfy yourself that this claim is well founded, examine them carefully, and compare them with others, and you will notice among other things that our long sweep shoulder measurement, by which any stupid shoulder—high, low, narrow or sloping—can be accurately fitted. Again, you will observe in our patterns the two notches dating inwards are entrusted in our Patterns, and can be used by no other establishment. This is the only system in the world that will produce a perfect fitting dress or pattern. Furthermore, each separate part is cut with exactness, that the whole, when brought together, fits perfectly.

TO THE ELECTORS OF THE WEST RIDING OF THE COUNTY OF HURON.

Having been requisitioned thereto by a Committee of representatives of the Reform Party of the West Riding of Huron, at the Meeting at the meeting assembled, and having accepted the nomination then tendered me, I now beg to announce myself as a candidate for the position of Representative in the Provincial Parliament for the said Riding.

Having been a Reformer from my youth upwards, I will support the Reform Party upon all long settled, broad principles of true and just government.

Should I be honored with your confidence and support, I will endeavor faithfully to discharge the duties of the position to which you may elect me, and will endeavor to the best of my ability to represent the interests of the Riding in the Provincial Parliament.

Should I not be successful in securing your support, I will cheerfully acquiesce in the decision of the majority, whether in the habit of voting between the hooks, the English Election Laws being so flexible in that respect, conferring but little power on electors to punish a violation of them.

The most valuable prize—Enterprise. A dead block—That on a cemetery gate.
