To Property Owners!

If you intend making repairs to your house, anything from foundation to roof, see me before settling with another.

If you intend buying property have a practical man to inspect it for you. My twenty-five years' experience in the carpentering business will prove profitable to you in this particular.

If you have property to sell and want good results, list it with me. A word to the waterfront merchants: I have had considerable experience in wharf-building and will be glad to call and see anyone intending making repairs or building new wharves.
