C. L. B.

Avalon Battalion is forging along with its usual good force. Lt.-Col. Goodridge, O. C., with Majors Raley, M.C., and following officers were on duty last night at headquarters, viz., Captains Herbert Outerbridge, Avalon Goodridge, C. Waring Hayward, Lieuts. Dev. E. H. Fletcher, Frank Miles, Phil B. Rendell, Fred. R. Emerson and Quartermaster Williams. The usual company drill exercises were gone through with. After the close of parade the lads indulged in a game of field hockey. Lieut. Phil. Rendell was orderly officer and read the following orders of the O. C. for the week ending Christmas Day: Pte. 1932 Wm. M. Dave is posted to A. C. with Pte. 1622 J. Bartlett, and recruit Pte. H. Oakley posted to bugle band. The Duty Chaplain, Rev. A. Clayton of St. Thomas's was unavoidably absent last night. No parades will be held during Christmas week. Battalion will parade Jan. 6th and 8th, 1920, as usual. The Rev. E. H. Fletcher is posted at Act. Capt. of A. Co., from date of Dec. 18 and Capt. J. A. Winter, our veteran adjutant and strong supporter of the officer commanding for many years, has resigned owing to increasing demands of business on his time, as a partner of the law firm of Squires & Winter. Capt. Winter has the thanks of all ranks for his past services, always generously and courteously given the brigade at all times, and it is with regret that he is now posted to the reserve of officers. Corporals Hookey and Stone are promoted to the rank of Sergeant, and Lieut. Corp. Curnew advanced to Corporal's rank. Lieut. Corporals Harvey, Skirving and G. Brown are transferred to F. Co.

The Church Lads' Brigade Athletic Association has met recently with Colonel Goodridge in the chair. Bat. Sergt. Major Reid stated that the principal business was to reorganize a system to conduct sports and all many games again. The following officers were elected: Hon. Pres., Lt.-Col. Goodridge; Vice-Pres., Maj. Raley, M.C.; 2nd V.P., Major G. R. Williams; 3rd V.P., Mr. John Wiseman, O. C. Old Comrades; Council Chairman, Lieut. Fletcher; Secretary, Regt. Inst. B. Colton; Treas., Sergt. Guy Shears, and the following committee: Co. Sgt. Major Rendell, Batt. Sgt. Major Reid, Regt. Q. M. S. Mott, Bandsman A. Andrews, Corp. Stone. It was decided that C. and K. Companies be requested to appoint representatives of two lads on this committee. At the next meeting in January arrangements will be made likely for a series of games of basket ball, wrestling matches, boxing, gymnastic work and other athletic contests during the winter in order to raise funds for 1920 camp or other purposes.

The latest application for permission to organize a C. L. B. Co. is from historic Topsail. The Camp CHDKready eG.Maof Chaplain, Rev. A. Pittman, and Rector of the parish, is applying for his charter, and he will have great assistance from Drum Major Bursell, the founder of Bursell's Bugle Band at headquarters. We feel sure that the brigade's latest baby company at Topsail will be a huge success in the hands of Rev. A. Pittman, the brigade's popular camp Chaplain and Drum Major Bursell of the famous bugle band. Lieut. Fred. Emerson of the Educational Dept. has given his lads the usual Christmas school holidays, and meantime is arranging for new desks, seats and school supplies. The number of his pupils have increased and the lads are making extra good progress at the three R's.

The latest officer to secure his commission at H. Q. is Lieut. Lance Hayward, formerly a Lieutenant in the Royal Nfld. Regt., and a wounded veteran. Lieut. Hayward is a son of G. J. Hayward, Esq., and will be quite an addition to the staff when he gets into his stride. Lieut.-Col. Goodridge is leaving for England this winter and will amongst other things visit the London headquarters of the brigade and post himself on all the latest brigade methods for the improvement, if possible, of brigade work.

As these are my last notes before Christmas, 'Q' takes the opportunity to wish all ranks throughout the Dominion of Newfoundland of the C. L. B., and those of its sister brigades a very jolly Christmas.

HELPING ARMENIA.

LONDON, Dec. 18. Earl Curzon of Kedleston, Secretary of State for Foreign Affairs, in the House of Lords yesterday explained how England and France were jointly caring for Christian refugees in Armenia and other districts and added it is a splendid thing that we have found our charitable efforts backed not only by the large part of our people, but America in this emergency.

MINARD'S LINIMENT CURES CHILDS, &c.

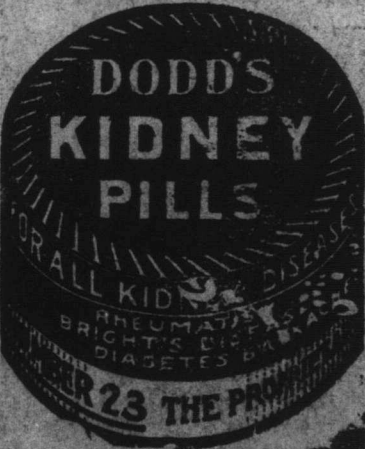

"Him"

How to Kill a Minister.

Newell Carroll Maynard, in 'The Congregationalist,' gives six ways of killing a Minister. They are as follows:

1. Tell others that you don't like him, but never tell him why. If you told him why you don't like him, he might show you where you were mistaken then you would need to apologize to him for talking behind his back.
2. Criticize his sermons. Say he's too old-fashioned, in his theology, or he's too liberal; his sermons are too long; he is too closely confined to his notes; he's tiresome; stupid and monotonous. Never tell him his sermon helped you; that might make him puffed up.
3. Complain because he doesn't call as often as you think he ought to. Forget that he has several hundred other people to call upon, that he must prepare two sermons each week; must marry the living and bury the dead, and be all things to all men on all occasions that he may win some.
4. Criticize his family, especially his wife. "Say," she takes up too much of his time; she tries to run the church, she is not in sympathy with his work, she has too many hats, she dresses too well, or not well enough."
5. Go to some other church because you don't like your own minister, and because the other minister is more sensational, more dramatic, more educated, more orthodox, more heterodox, more social and more anything else that suits your family.
6. Always look for your minister's weakest point; never look for his strongest qualities. To look for his strongest qualities might mean to be convinced that with all his failings he has consecrated himself to the high calling of God for your salvation; that he has sacrificed a larger income for a living wage, and that he has cast in his life with the people of God, to the end that men may come to a saving knowledge of the truth. There is nothing else.

"Ringing the Bell" for the Xmas Gift Season!

"COMFORT DAY" IN OUR STORE.

There's a deal of knowledge of human nature needed in this matter of selecting Xmas Gifts for men. December's going to be a cold month. Little use giving him something that he cannot wear till the roses bloom. You want your gift to please and be appreciated right then and there on the "Big Day".

"COMFORT"—that's the word that means a lot of pleasant imaginings for HIM. A gift of Warm Wool Socks striking him first thing on Xmas morning, looking so warm and Christmassy-like, when we lay them out for you in one of our Holly Boxes, is the straightest way to his heart.

And talking about comfort has brought a shopful of "Wooley" suggestion: uppermost—Sweater Coats, Wool Vests, Underwear, Wool Gloves, and we can't just keep from prosing still about our cosy Silk Scarves—there's a King Gift! He may have a wool one already, but he has never worn anything like what we have in Real Silk. Come into our Store—there's a warm welcome waiting for you. Get the "feel" of them. Nothing but Real Silk has that soft, crushing feel. See all the patterns—sixty-seven of the most Christmassy-like colour combinations that ever made a surprise gift for a man's stocking, and you'll no longer wonder what we mean by "KEARNEY FIRST!"

A DUET!—A Pair of Silk Sox and a Silk Muffler packed in one of our large patterned boxes, singing the song of Xmas in perfect colour harmony. What about it?

Major as Goods Checker

OFFICERS FORCED TO ACCEPT ODD JOBS.

Many demobilised officers are accepting odd jobs. A machine gun corps major, an odd public schoolboy, who was mentioned in despatches four times, is checking goods in a dock warehouse at Wapping. Before the war he was in a bank. A 50-year-old captain, formerly a practising barrister, is "clerking" at 23 7s. a week, and an ex-subaltern is in an Underground booking office.

Another, an associate member of the Institution of Civil Engineers, earns 50s. a week as an odd man. A captain is vainly seeking employment as a motor driver. Recently an officer unsuccessfully tried to enter the police force.—Daily Mail.

As Influenza

is an exaggerated form of Grip. LAXATIVE BROMO QUININE Tablets should be taken in larger doses than is prescribed for ordinary Grip. A good plan is not to wait until you are sick, but PREVENT IT by taking LAXATIVE BROMO QUININE Tablets in time.

Shipping Notes.

Put candied cherries on the bread pudding, and see if the family doesn't like it.

Veal croquettes are delicious, and can be made of an inexpensive piece of veal.

A quart bowl of mayonnaise dressing can be made with the yolk of one egg.

Fried oysters should be dipped at least four hours before they are fried. The dressing can thus dry, and the oysters will not absorb so much fat.
