HERE TO STAY.

Why waste your money on an inferior piano and player-piano repairing and tuning service? You will eventually have to come where your work can be done in first-class style and perhaps done over again. So save yourself the initial expense and have your work done right the first time. Also, send in your orders early as the demand for this service is greater than ever. STEWART'S

Home Made Bread, THE BREAD MY DADDY LIKES.

Daddy is evidently not one of those back number lords of creation who believes that woman's place is in the home—and only there. His taste in a wife is an up-to-date woman who will prove herself a real companion. He knows that if she is a slave to her kitchen she can't enjoy the poise or have the interest in world affairs that a little extra leisure would make possible; and so he is pleased to eat MRS. STEWART'S HOME MADE BREAD—the loaf with the home made flavor.

The smiling, well-nourished kiddie doesn't look as though suffering because mother is progressive enough to buy good bread made by a bread specialist, instead of wearing out her life in the kitchen.
