Shamrocks defeated the Feildias by a margin of 25 runs in a match played on St. George's Saturday afternoon. The second for the year was the first of the season and elected to take the field. The pair was soon separated and things began to look gloomy when H. A. Williams proceeded to knock out in fine style but was unable to keep their wickets steadily dismissed by the Shamrocks. The wicket fell for 53 runs; and Winter had a through for 28. The Shamrocks went to bat with 53 runs. Whilst several batsmen to Jerritt's wily batting managed to do some things and had passed on with three wickets concluded their last and the total 77. GEORGE D. SHAW, Springfield, Mass.

"I say that I feel twenty-five years younger, twenty-five years younger," said George D. Shaw, a veteran of the Civil War, who lives at 321 Walnut Street, Springfield, Mass. "I never miss a chance of saying a good word for Tanlac and I would like to urge the boys of the 'Sixties' who are not feeling right to give it a trial. For I am sure it would put them in line again just as it has me. For a man of my age to have no physical ailment, to be well and strong, and enjoy life as he did twenty-five years ago, is certainly something to be thankful for and there is nothing too good I can say for Tanlac."

In fact, I believe I could eat the old army rations again without it hurting me in the least. INDIAN PREMIER AND BRITISH PROBLEMS.

LONDON, Sept. 4. The British dominions desire to be fully in the benefits and great of the British Empire they must be prepared to share also in the responsibilities, said Hon. Arthur Meighen, Canadian Premier, in an address to the exhibition directors and members of the press at the directors' luncheon. The burden the statesman said was standing under at the moment said the Premier, was the heavy comprehension. There hardly any point of Europe or where British was not facing responsibility or problem. "But she stood on, shrinking from nothing, steadily aiming to discharge all obligations to the Allies. The great Britain is playing to-day."

of the government. The Irish Republican reply, which is addressed to Lloyd George and signed by Eamonn De Valera, was given out at No. 10 Downing Street, the Prime Minister's official residence, to-night. It says differences between Great Britain and Ireland can only be reconciled on the principle of Government by consent of the governed, "and on this basis we are ready at once to accept plenipotentiaries." The communication says that Great Britain acts as though Ireland were bound to her by a contract that forbids separation, and that the proposals of the Government are based on this premise. Rejection is irrevocable, it says. Force will not solve the problem. It continues, asserting we have proposed the principal of the Government by consent of the governed, and do not mean it as a mere phrase. On this basis and this only the Irish see hope of reconciliation, the communication says.

The women members of the Council will be arrested on Monday, it was announced. Several of the Councillors were arrested yesterday, and to-day's arrests brings the number taken into custody to 19. The Council has 39 members.

SAN FRANCISCO, Sept. 4. A missing lifeboat of the crippled steamer Canadian Importer, containing eleven members of the importer's crew, was picked up early to-day, 105 miles off San Francisco, by the tug Sea Lion, from this port. The lifeboat's occupants were reported by the Sea Lion, in a wireless message to the Red Stock Company, to be "all safe and well."

ARTICLE 10.

TORONTO, Sept. 4. A Reuter despatch from Geneva says the League of Nations Commission sitting on amendments to the League Covenant, has decided that article ten, by which members undertake to respect and preserve the territorial integrity and political independence of all members of the League, should not be entirely suppressed, but it might be advisable to modify its tenor.

WEST VIRGINIA BANDITS FOILED.

CHARLESTON, W. Va., Sept. 4. Federal troops are in complete control of the troubled mining districts of West Virginia, and armed bandits that have been defying the state and county authorities on the boundary line of Boone and Logan Counties are rapidly disappearing, according to reports received at military headquarters here to-day.

TWO K.F.'S TO WITHDRAW.

LONDON, Sept. 4. Sir Owen Phillips, Coalition Unionist, who is a member of Parliament for the city of Chester, and Sir Stuart Cooper, of the same allegiance, who hails from East Surrey, have announced that they will not be candidates at the next general elections, which, in the opinion of many, will take place early next year.

COLLINS AT ARMAH.

Michael Collins, Sinn Fein Minister of Finance and Commander-in-Chief of the Irish Republican Army, arrived here from Dublin soon after noon to-day, and on his first visit to North Ireland, to find the city festooned with Sinn Fein colours. The Irish Republican Army kept good order in the streets, doing perhaps better with the Irish crowds than could have ordinary constables. There were several Irish Republican Army officers wearing Sam Brown belts with service revolvers in their holsters.

MOPLAH LEADER CAPTURED.

CALICUT, British India, Sept. 4. About forty Moplah tribesmen and two British soldiers were killed in a fight of several hours at Tirunavelli, which resulted in the capture of Alimuddin, the rebel leader and thirty other Moplahs. Four British soldiers were wounded. Explosive material and a number of carbines, knives, swords and other weapons were captured.

For years I have never considered my stock of household remedies complete unless a bottle of Minard's Liniment was included. For burns, bruises, sprains, frost-bites or chilblains it excels, and I know of no better remedy for a severe cold in the head, or that will give more immediate relief than to inhale through the nasal organ. And as to my supply of veterinary remedies it is essential, as it has in very many instances proven its value. A recent experience in relieving what was supposed to be a lost section of a valuable cow's udder has again demonstrated its great worth, and prompts me to recommend it to the highest terms to all who have a herd of cows, large or small. I think I am safe in saying among all the patent medicines there is not one that cures so large a field of usefulness as does Minard's Liniment. A real true-to-good-for-man or beast.

Memorial Service.

AT ST. PAUL'S, MR. GRACE.

The Memorial Service held at St. Paul's Church, last Friday evening, to dedicate a pulpit erected by the parents and friends of the eighteen men of that Parish who sacrificed their lives in the Great War, was an impressive one. The presence of several hundred clergy, the members of the various societies in regalia, and a squad of ex-service men, with the large attendance of the general public combined to give the service a solemnity that was in keeping with the occasion.

The clergy present were:—Rev. W. R. J. Higgin, St. Paul's; Rev. E. K. H. Caldwell, Brigus; Rev. E. C. Glench, Spaulding's Bay; Rev. E. E. Rustad, Upper Island Cove; Rev. W. E. R. Cracknell, South Side; Rev. W. L. Pike and Rev. Dr. Pacey, L.L.D., St. John's. The reader of the Lessons, Rev. W. E. R. Cracknell and the Rev. Dr. Pacey, who delivered the address, are ex-Chaplains of the Forces.

The Societies entered the Church in the following order:—Ex-Service Men, Masonic, Orange, British, Sons of England, King Edward Branch Societies. The joint procession through the streets was headed by the C.B.E.S. Band. The front seats of the Church were occupied by the parents and relatives of the deceased heroes in whose memory the pulpit was erected. The building was well-filled, over eight hundred persons being present.

Previous to the unveiling of the pulpit, Mr. L. T. Chafe, on behalf of the parents and friends of the deceased heroes made a formal presentation of the memorial, which was accepted by Mr. T. G. Ford, the People's Warden. The pulpit was then unveiled by Mr. H. Martin, Rector of the Warden, and dedicated by the Rev. E. C. Glench, Rural Dean of Conception Bay. The service was heartily joined in by the congregation. The gathering was an historic one, and the entire service will be long remembered and spoken of in the Parish.—Hr. Grace Standard, Sept. 2.

Fire at Alexander Bay.

A telegram received by Mr. J. R. Johnston, from Alexander Bay, stated that a serious fire occurred there last Thursday, when Mr. Bruce Wherry's house and buildings were totally destroyed. Mr. Wherry, being an industrious man, will realize the sympathy of the community. No further details are given.

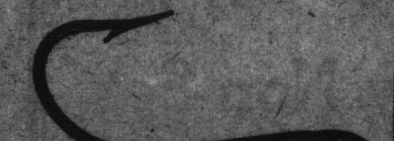

HAPPINESS.

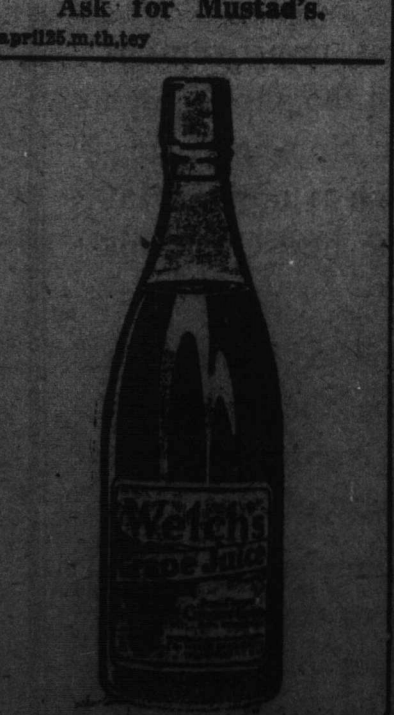

In Canada my childhood years were spent, mid snow and rime; and though often I froze my ears, I had a bully time. The winter started in the fall and lasted through the spring, and blither tempests used to howl, but I would smile and sing. For I was born a happy guy, my heart was full of glee, and January or July was all the same to me. In Kansas long I made my home; 'tis there the wild winds chase; they blow the ringleads from my door, the whistlers from my face. A cyclone hoisted me at times, and while I rode the blast I jotted down those cheer-up rhymes that made you stand aghast. On Arizona's scorching plain I dwelled a year or more, with Gila monsters in my train, and rattlesnakes before. My pet dried up and wrinkled off beneath the burning rays, but I was still a cheerful toff, and I had happy days. If one is born the child of mirth, no ill can stop his song, not all the ordeals of the earth can wilt him very long. It is a rare and wondrous gift, the cheerful frame of mind, that sees the heavy cloudbanks drift, and knows they're silver lined. There is no envy in my heart for gifts that others own; they may be wise, they may be smart, and in their class alone; and they may scale the shining heights that I can never achieve, but I am warbling days and nights, while they cave round and grope.
