A Lovely Perfume.

Face Powder a different toilet aid than any you have ever used. There is a refining influence around this delightful toilet creation that denotes the most superfine and artistic taste. No one can afford to miss the delightful experience that comes from using. Three Flowers Face Powder. It is so nice and smooth, so daintily perfumed and so highly suggestive of the natural fragrance of real flowers that people imagine for the moment they are surrounded by the most beautiful natural flowers. To use Three Flowers is a sign of refinement.

Horse Bolts.

A horse owned by Mr. Peter Joy took fright on New Gower Street last evening, and in the beast's mad dash along that thoroughfare, it endangered the lives of many. A young man who made an attempt to stop the animal was knocked down and injured. The frightened beast was eventually stopped near the West Mrs. Edward Dickie, with her two End Fire Hall, without doing any
