THE WORLD'S FAIR.

Chicago Will Raise \$10,000,000 for Expenses.

Washington, March 8.—The Chicago committee, which is in Washington to consult with the sub-committee of the House Committee on the World's Fair, were promptly on hand at an early hour, and discussed with the sub-committee for two hours the details of the bill, going over about four sections of it. The Chicago committee pledged the members of the Fair Committee that Chicago would raise \$10,000,000 with which to erect all the necessary buildings and pay the expenses of the Fair, and will only ask the United States Government to make the necessary appropriation to erect its own buildings and take care of its own exhibits. The committees hope to finish it by Monday.

HORRIBLE HOLOCAUST! A Mother and Her Seven Children

Burned to Death.

Montreal, March 10.—A terrible disaster occurred yesterday morning at Cote St. Michel, a small village ten miles from here on the St. Lawrence, whereby a woman, the wife of a farmer named Collerette, and his seven children lost their lives by burning. At 5 o'clock the man lighted his fire, leaving beside the stove a can of coal oil, and went out to attend to his farm duties. On looking back he found his house in flames, and from the fiereness of the flames he was unable to rescue his family, and his wife and seven children—four boys and three girls—were burned to death before his eyes. Collerette himself now lies at the 'point of death from the' dreadful burns received in his efforts to rescue his family.

Miss Switzer made a very happy reply, when all joined in singing the above hymn, after which "God Save the Queen" closed what all present pronounced an almost perfect synthes.

IMPORTANT!

Remarkable Restoration to Health of Well Known Capadians whose Cases were Given up as incurable.

From the few of the hundreds of letters we have received from those who have been restored to health and strength by the use of that wonderful discovery, Paine's Celery Compound, we make a few extracts. We hope that the thousands of Canadian men and women who are suffering from nervous and wasting diseases, will profit by these true and

plain statements of facts.

D. S. Davidson, of Montreal, suffered for years with nervous dyspepsia, pain in his back, and sleeplessness. He tried doctors without relief, was losing flesh rapidly, and had about given up heart when he commenced the use of Paine's Celery Compound. "Now," he says, "I am a new man. I sleep well and my food does not hurt me."

Mr. Jas. Johnson, 302 St. Charles Borromee Street, Montreal, was weak and nervous, had no appetite, and could not rest at night. His nerves were soothed and strengthened by Paine's Celery Compound, and he soon became well and strong.

Annie Gourley, of River Beaudette. P. Q., found the Compound a certain cure for weakness, and now feels as well as she ever did.

A customer of Harrison Bros., druggist, Hamilton, Ont., told them that he was entirely cured of nervous weakness by the use of two bottles of the Compound, after everything else has failed.
The little child of Mrs. G. E. Meredith,
76 D'Arcy St., Toronto, was cured of St.
Vitus' Dance by Paine's Celery Compound.
